ASSIGNMENT OF PATENTS

WHEREAS, UNAXIS Deutschland Holding GmbH, a corporation organized and existing under the laws of Germany, having its principle place of business at Hanau, Germany, (hereinafter called "Assignor"), is the owner of several US and foreign patents or patent applications listed in Schedule A attached hereto (hereinafter called "Patents Properties");

WHEREAS, Graham Precision Pumps Limited, a corporation organized and existing under the laws of Great Britain, having its principle place of business at The Forge, Congleton, Cheshire CW 12 4 HG, Great Britain, (hereinafter called "Assignee"), is desirous of acquiring the entire right, title and interest in and to said Patents Properties (and/or patents that may be granted therefrom), and any divisions, continuations, CPAs, reissues, reexaminations or extensions of same;

NOW, TO ALL WHOM IT MAY CONCERN, be it known that for and in good and valuable consideration moving from said Assignee to said Assignor, the said Assignor has held, assigned, transferred and set over, and does hereby sell, assign, transfer and set over, unto the Assignee, its successors and assigns, the entire right, title and interest for the United States, its territories, dependencies and possessions, and throughout the world in and to said Patents Properties (and/or patents that may be granted therefrom), and any divisions, continuations, CPA's, reissues, reexaminations or extensions thereof; the same to be held and enjoyed by said Assignor had this assignment and sale not been made, together with all claims for damages by reason of past infringement of said Patents Properties with the right to sue for and collect the same for its own use, and for the use of its successors, assigns and other legal representatives.

The Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue any Letters Patent of the United States resulting from said Patents Properties when granted to said Assignee.

The Assignor agrees to execute all papers necessary in connection with any interference which may be declared concerning said Patents Properties or any divisions, continuations, CPAs, reissues, reexaminations or extensions thereof, and to cooperate with said Assignee in every way possible in obtaining evidence and going forward with such interference.

The Assignor hereby covenants that it has full right to convey the interest herein assigned and that it has not executed and will not execute any agreement in conflict herewith.

The undersigned hereby grants the law firm of Wall Marjama & Bilinski LLP, 101 South Salina Street, 4th Floor, Syracuse, New York 13202 the power to insert on this Assignment any further

identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

This Assignment is effective as of the 24th day of April, 2003.
