In consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, the undersigned, whose name and full post address are set out below:

<u>Name</u>	<u>Address</u>
Ralph I. Larson	46 Sargent Road Bolton, Massachusetts 01740 U.S.A.

confirm that I have agreed to sell, assign and transfer, and do hereby sell, assign and transfer to **HEAT TECHNOLOGY, INC.**, hereinafter called the Assignee, whose full post office address is 106 Pratt's Junction Road, Massachusetts 01564 U.S.A, to the Assignee's successors, assigns, nominees or other legal representatives, my entire right, title, interest, property and benefit for Canada, the United States of America, and all other countries, in and to an invention relating to

SYSTEM AND METHOD FOR A MOUNTING HEAT SINK

including subject matter which is set forth and described in an application for: a) a provisional patent application filed with the United States Patent Office, having serial number 60/426,910 and a filing date of November 15, 2002, and b) a patent application filed with the United States Patent Office, for which a declaration has been signed by me on even date herewith;

together with my entire right, title, interest, property and benefit for Canada, the United States of America, and all other countries, in and to the aforementioned applications, any foreign applications corresponding thereto and any Letters Patent which may issue for the invention from such applications, including all divisions, continuations, continuations-in-part, re-examinations, reissues and extensions, and any rights of priority resulting from the filing of the above-identified applications under international conventions, treaties or otherwise, the same to be held and enjoyed as fully and exclusively as they would have been by me had this sale, assignment and transfer not been made. I make this assignment in respect of my

interest in the invention independently of any assignment of any other party;

And I hereby covenant and agree to do all such things and to execute without further consideration such further assurances, applications and other instruments as may reasonably be required by the Assignee to obtain Letters Patent in Canada, the United States of America, and all other countries, for the invention, and vest the same in the Assignee;
