A S S I G N M E N T

WHEREAS, I, Chaim Lax, residing at 301 Hewes Street, Brooklyn, New York, have made a design invention entitled:

GEM PAVILION

and am about to make application for United States Letters Patent for a design patent therefor, the same being executed by me on even date herewith; and

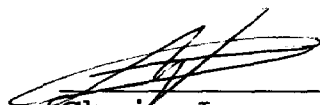

WHEREAS, DYNAMIC DIAMOND CORP., a corporation organized and existing under the laws of the State of New York and having an office and place of business at 580 Fifth Avenue, New York, New York, is desirous of acquiring the entire interest in said design invention, said United States design patent application and in any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I do hereby sell, assign and transfer unto the said DYNAMIC DIAMOND CORP., its successors, assigns and legal representatives, all right, title and interest in and to said design invention and any improvements thereon for all countries of the world, and in and to said United States design patent application, and any continuations and divisions thereof, and any substitute applications therefor, and any patents which may issue thereon, and any reissues of the same, and including the right to claim priority under the International Convention based

on said design patent application; and all right, title and interest in and to every design patent application or design registration application filed or to be filed on said invention in any other country, including renewals, revivals, continuations and divisions thereof, and any substitute applications therefor, and any and all design patents or registrations which may issue thereon, and any reissues and extensions of the same; and I hereby authorize and request competent authorities to grant and issue any and all design patents or registrations on said design invention to the said DYNAMIC DIAMOND CORP., as the assignee of the entire interest therein; and I further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure design patent or registration protection on said design invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, I have hereunto signed my name on the date indicated hereinafter.
