## *Assignment*

WHEREAS, I, **Paul W. Brown**, residing at **352 East Irvin Avenue, State College, Pennsylvania 16801**, have invented certain new and useful improvements in **"Method of Resisting Corrosion in Concrete & Related Compounds and Structures"** for which I filed **United States Patent Application Serial No. 10/010,581**, having a filing date of **November 13, 2001**, now **United States Patent No. 6,610,138**;

AND WHEREAS **352 East Irvin Avenue Limited Partnership**, a limited partnership organized and existing under the laws of Pennsylvania and having its principal place of business at **352 East Irvin Avenue, State College, Pennsylvania 16801**, hereinafter called the "assignee", is desirous of acquiring the entire right, title, and interest in and to said application, patent, and the inventions and improvements therein disclosed;

NOW, THEREFORE, in consideration of One (\$1.00) Dollar and other good and valuable consideration paid to me by said assignee, receipt whereof I hereby acknowledge, I do hereby assign, sell, transfer, and set over unto said assignee the entire right, title, and interest in and to said application, patent, and the inventions and improvements therein disclosed for the United States and all foreign countries and any Letters Patent which may issue therefor in the United States and all foreign countries and all divisions, reissues, continuations, renewals, and/or extensions thereof including all priority rights under the International Convention associated therewith for each country and the Union, said assignee to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent and any and all divisions, reissues, continuations, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by me had this assignment not been made.

I covenant that I am the lawful owner of the said application, patent, inventions, and improvements, that the same are unencumbered, that no license has been granted to make, use, or vend the said inventions or improvements or any of them, and that I have the full right to make this assignment.

And for the consideration aforesaid, I agree that I will communicate to said assignee or the representatives thereof any facts known to us respecting said inventions and improvements, and will, upon request, but without expense to us, testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue, continuation, renewal, and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said assignee or by counsel for said
