ASSIGNMENT OF PATENT APPLICATION

WHEREAS, I, **Randall L. Bickford**, of **Orangevale, California**; did file on **June 20, 2003** an application in the United States for an improvement in a **Surveillance System and Method Having Parameter Estimation And Operating Mode Partitioning** which has been given **U.S. Patent Application No. 10/600,224**,

WHEREAS, I am now the sole owner of said Patent Application; and

WHEREAS, **Guardian Estate Investments, LLC**, of **7932 Country Trail Drive, Orangevale, California 95662**, a **California limited liability company**, is desirous of acquiring the entire interest in said Patent Application;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and other good and valuable considerations, I, **Randall L. Bickford**, by these presents do sell, assign and transfer unto said **Guardian Estate Investments, LLC**, the entire right, title and interest in and to said Patent Application, and all original and reissued Patents granted therefore, and all divisions and continuations thereof, including the subject-matter of any and all claims which may be obtained in every such Patent, and the right to apply for and obtain Patents, Utility Model Registrations and Inventor's Certificates in countries foreign to the United States, and in and to any Letters Patent, Utility Model Registration or Inventor's Certificate which may be granted thereon in such foreign countries, including all priority rights under the International Convention associated therewith for each country of the Union, and I hereby authorize and request the Commissioner of the United States Patent and Trademark Office, and any official of any country or countries foreign to the United States, whose duty it is to issue Patents on applications as aforesaid, to issue said Letters Patent, Utility Model Registration or Inventor's Certificate to said **Guardian Estate Investments, LLC**, its successors, assigns, nominees or their legal representatives, as assignee of the entire right, title and interest, and I hereby authorize and request the Commissioner of the United States Patent and Trademark Office to record **Guardian Estate Investments, LLC** as the assignee of the entire right, title and interest in and to said Patent Application in accordance with the terms of this assignment, and I covenant that I have full right to convey the entire right, title and interest in and to said Patent Application herein assigned and that I have not executed

and will not execute any agreement in conflict herewith, and agree that I will communicate to said **Guardian Estate Investments, LLC**, its successors, assigns, nominees or their legal representatives all facts known to me respecting said invention, whenever requested, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and do all lawful acts requisite for the application for such divisional, continuing or reissue applications, or the procuring thereof, and that if and when said representatives desire to file a disclaimer relating thereto, I will, upon request, sign all lawful papers requisite for the filing of such disclaimer, and I further covenant and agree that I will, at any time upon request, do everything legally possible to aid said **Guardian Estate Investments, LLC**, its successors, assigns, nominees or other legal representatives, either in its or their own name, to apply for, obtain and enforce Patent, Utility Model and/or Inventor's Certificate protection for said improvements in all countries, all without further consideration, but at the expense of said **Guardian Estate Investments, LLC**, its successors, assigns, nominees, or other legal representatives.
