**ASSIGNMENT**

**WHEREAS**, I, the undersigned joint inventor, of residence as listed, having invented certain new and useful improvements as below entitled, for which application for United States Letters Patent is made, said application having been executed on the date set forth below; and

**WHEREAS**, MICROTUNE (Texas), L.P. (hereinafter referred to as "Assignee"), a Texas limited partnership, with an address of 2201 10th Street, Plano, Texas 75074, desires to acquire my entire right, title, and interest in and to the invention and in and to the said application and any Letters Patent that may issue therefrom;

**NOW, THEREFORE**, for and in consideration of One United States Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I assign to Assignee, all right, title, and interest in and to said invention and in and to said application, all patents that may issue therefrom, and all divisions, reissues, continuations, continuations-in-part, and extensions thereof. I hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents for said invention, or patents resulting therefrom, insofar as my interest is concerned, to Assignee.

I also assign to Assignee all right, title, and interest in and to the invention disclosed in said application throughout the world, including the right to file applications and obtain patents, utility models, industrial models, and designs for said invention in its own name throughout the world and including all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries. I further agree to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title, and interest in Assignee.

I shall communicate to Assignee any facts known to me respecting any improvements; and, at the expense of Assignee, I shall testify in any legal proceedings, sign

all lawful papers, execute any and all powers of attorney and all divisional, continuation, continuation-in-part, reissue, and substitute applications, make lawful oaths, declarations, and affidavits, execute any other papers in connection therewith necessary to perfect such right, title and interest in Assignee, and generally do everything possible to vest title in Assignee and to aid Assignee to obtain and enforce proper protection for said invention in all countries. If I testify in any such legal proceedings, Assignee shall compensate me, at a rate of \$200 an hour, for my time spent preparing for and providing such testimony; and, before I render such services with respect to particular legal proceedings, Assignee and I shall agree to a reasonable maximum amount of my time that will be spent preparing for and giving such testimony and for which I may bill Assignee.

This Assignment shall be binding on the parties' successors, assigns, and legal representatives.
