Attorney Docket No.: MIC-M095

ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I, **George R. Claseman**, of Campbell, California, United States of America, hereby sell, assign and transfer to **Micrel, Inc.**, a California corporation, having a place of business at 2180 Fortune Drive, San Jose, CA 95131, its successors and assigns, the entire right, title and interest throughout the world in my invention in

Management System for Hardware Network Devices

for which I have filed a United States patent application on March 15, 2004, which now has Serial No. 10/801,726, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; I authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from me; I agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries, provided, however, that any expense incurred by me in providing such cooperation after termination of my employment with the above-named assignee shall be paid for by the assignee; and I request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.

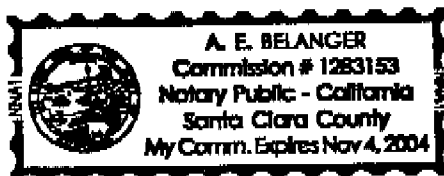

Executed this 12TH day of MAY, 2004.
