ASSIGNMENT

In consideration of my agreement with Universal Propulsion Company and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, the undersigned inventor, residing in the city and state listed by my name, hereby assign, transfer, and deliver to Universal Propulsion Company, a Delaware corporation, having a place of business located at 25401 North Central Avenue, Phoenix, Arizona 85027 its successors and assigns (collectively referred to herein as "ASSIGNEE") all of my right, title and interest in and to any and all subject matter of the invention(s) disclosed in the Patent Cooperation Treaty ("PCT") international application no. PCT/US02/01034 titled:

A BUMPER AIRBAG WITH MULTIPLE CHAMBERS

filed in the United States Receiving Office on 10 January 2002, and in and to the said application, all continuations, continuations in part and divisions thereof, and the exclusive right to make application for patents, reissues, renewals and extensions thereof, and in and to all patents and all Convention and Treaty rights of all kinds, in the United States of America and all other countries throughout the world, for all such subject matter. I request the applicable official having authority to issue patents or corresponding rights to issue same on the subject matter of the said invention(s) to ASSIGNEE and, if called upon by ASSIGNEE or its legal representatives, I agree to promptly sign all documents necessary to secure all such patents and rights and for issuance of same to ASSIGNEE.

I confirm that I have not made any agreement in conflict with this Assignment. I further agree that I will provide information within my knowledge or belief, and do all other relevant things that ASSIGNEE or its legal representatives deem necessary or desirable and request of me in connection with obtaining or maintaining, or in connection with any proceeding, controversy or litigation pertaining to, any such patents, or in order to perfect and/or enforce ASSIGNEE's ownership of the right, title and interest conveyed by this Assignment, or in connection with this Assignment, without payment of consideration to me beyond that called for in my written agreement with ASSIGNEE on the understanding, however, that ASSIGNEE will bear all reasonable expenses actually incurred for or in connection with such matters. This Assignment and the obligations assumed by me shall be binding on my heirs and personal representatives.
