ASSIGNMENT

WHEREAS, I, the undersigned, Stephen Lister of Long Beach, California, have invented a new and useful Incremental Color Blending Illumination System Using LEDs, which is the subject of a patent application for United States patent application no. 10/610,808, filed June 30, 2003, and entitled Incremental Color Blending Illumination System Using LEDs.

WHEREAS, I verily believe myself to be the original, first and sole inventor of the invention set forth in said application for Letters Patent and represent that I have not conveyed or hypothecated any right or interest therein, and

WHEREAS, Mattel, Inc., a corporation of the State of Delaware, having a principal place of business at 333 Continental Boulevard, El Segundo, California 90245-5012 is desirous of acquiring the entire and exclusive right, title and interest in and to said invention, and all patent applications which may be filed thereon, and any and all Letters Patent which may be granted or issued therefor in the United States and throughout the world including any and all divisions, continuations, reissues and extensions of any of the foregoing and all international priority rights associated therewith:

NOW, THEREFORE, in consideration of obligations voluntarily assumed by me and set forth in a contract entitled "Employee Patent and Confidence Agreement" entered into at El Segundo, California, and for the further consideration of the sum of One Dollar (\$1.00), receipt of which is hereby acknowledged, I do hereby sell, assign, transfer and set over unto Mattel, Inc., its successors and assigns, the entire and exclusive right, title and interest in and to said invention, patent applications and Letters Patent which may be granted or issued for said invention in the United States and throughout the world, including all divisions, continuations, reissues and extensions thereof, and all international priority rights associated therewith, all to be held and enjoyed as fully and completely as the same might have been held by me had this assignment not been made, and I hereby authorize and request the commissioner of Patents of the United States and the duly constituted authorities of foreign countries to issue all Letters Patent relating to the foregoing assigned right to Mattel, Inc., and its successors and assigns.

I will promptly, upon request, and without further compensation, but at no out-of-pocket cost or expense to me, do all lawful acts including communicating to Mattel, Inc., or its representatives, any facts known to me respecting this invention, the execution of all necessary documents, and the giving of testimony that in the opinion of Mattel, Inc., its successors and assigns, may be necessary or desirable for obtaining, sustaining or reissuing United States and foreign Letters Patent relating to the foregoing assigned rights, and for perfecting, affirming, recording and maintaining the title of Mattel, Inc., its successors and assigns thereto, and that I will generally cooperate to the fullest extent in all matters pertaining to said invention and patents, and Mattel, Inc.'s title thereto.

IN WITNESS WHEREOF, I have executed this instrument at El Segundo, this 15 day of OCTOBER, 2003.

Stephen Lister
