ASSIGNMENT OF APPLICATION

For value received, I, **Christopher Keith**, of **New York, New York** in the county of **New York** , hereby sell, assign and transfer to **PDQ Enterprises LLC**, a limited liability corporation of the State of **New York**, having an office at **40 Worth Street, Floor 13, New York, New York 10013** (hereafter "ASSIGNEE"), and its successors, assigns and legal representatives, the entire right, title and interest, for the entire world, in and to certain inventions related to **PROCEDURAL ORDER SYSTEM** described in U.S. patent application serial no. **10/329,174** filed on **December 24, 2002**, and for all the rights and privileges in said application and under any and all Letters Patent that may be granted in all countries for said inventions; including all rights of priority arising from the aforesaid application, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in all countries for said inventions.

I authorize ASSIGNEE to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions or agreements.

I hereby consent that a copy of this document shall be deemed a full legal and formal equivalent of any document that may be required in any country in proof of the right of ASSIGNEE to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to ASSIGNEE in the United States and in all countries foreign to the United States, or to such nominees as ASSIGNEE may designate.

I agree that, when requested, I shall, without charge to ASSIGNEE but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
