have invented certain new and useful improvements in

QUIET ICE MAKING APPARATUS

an invention which is fully described in an application for Letters Patent of the United States executed by them this day; and

The ASSIGNEES, **SCOTSMAN ICE SYSTEMS**, a Delaware corporation having its principal office at **775 Corporate Woods Parkway, Vernon Hills, IL 60061-3112**, and **MILE HIGH EQUIPMENT CO.**, a Colorado corporation having its principal office at **11100 East 45th Avenue, Denver, Colorado 80239** wish to acquire the entire right, title and interest in and to the invention and under Letters Patent which may be obtained for this invention.

For valuable and legally sufficient considerations, receipt of which are hereby acknowledged, the Assignors sell, assign and transfer to Assignees, its successors and assigns, the entire right, title and interest for the United States in and to the above-identified invention and application, divisionals, continuations, and continuation-in-part and for the full term of any Letters Patent of the United States that may issue for the invention.

The Assignors also sell, assign and transfer to Assignees the entire right, title and interest in and to the invention and application for Letters Patent and Letters Patent therefor in all countries foreign to the United States, including all rights under the International Convention. The Assignors further authorize Assignees to apply for Letters Patent in foreign countries in the name of Assignees, and to

claim the priority of the filing date of the United States Application under the provisions of the International Convention.

The Assignors further agree, for themselves and their legal representatives, they will assist Assignees in the prosecution before the United States Patent Office and the Federal Courts of this application, and other applications for Letters Patent including renewals, continuations, divisions, reissues and substitutions, that the Assignees elect to make covering the invention. The Assignors vest in Assignees like exclusive title in and to all such other applications and Letters Patent. The Assignors will execute and deliver to Assignees any documents which may be requested by Assignees to carry out the terms of this Assignment.

The Commissioner of Patents of the United States is authorized and requested to issue Letters Patent of the United States to Assignees. The Assignors also authorize and request the equivalent authorities in foreign countries to issue the patents of foreign countries to Assignees.
