ASSIGNMENT

Serial No.: 10/459,845

Filed: June 12, 2003

Title: BLOW GUN WITH EXTENSIBLE WAND

Date of Execution: 1/24/03 1/21/03

Name of Inventors: Don R. Linkletter and Steven R. Kunert

For \$1.00 and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned hereby assigns to Weems Industries, Inc., and Iowa corporation of Marion, Iowa, its successors and assigns, the entire right, title and interest in the invention of the undersigned disclosed in an application for United States patent as described above, and in any other applications, whether filed in the United States or another country, which the undersigned may file, either alone or with others, on the invention, and in any and all patents or inventor's certificates issued by the United States or another government which may be issued on any application regarding such invention, and in any reissues or extensions of such patents or inventor's certificates.

I further authorize and request the Commissioner of Patents of the United States to issue such patent or patents to the assignee, Weems Industries, Inc.

I hereby agree, upon the request of the assignee, or its successors and assigns, to execute any regular, divisional, continuation, continuation-in-part, or substitute applications for the invention, and any necessary oath or affidavit relating to such applications, and any application for the reissue or extension of any patent or inventor's certificate that may be granted upon the application, and to cooperate with the assignee to the best of my ability in the prosecution of the application for patent set forth above, including all actions which may arise from such prosecution.

I understand that the execution of this Assignment will serve to transfer all of my rights under any patents or inventor's certificates which may issue as a result of the above described application, for the entire term of such patents.
