PATENT
Sole Inventor
(Issued Patent)**ASSIGNMENT**

WHEREAS, I, **James Quinton Cameron Dick**, hereinafter referred to as the assignor, am the sole inventor of certain inventions or improvements for which I have made application for Letters Patent to the United States, identified as Application No. **09/720,155**, filed **March 6, 2001**, which has now issued as United States Letters Patent No. **6,502,350**; and

WHEREAS, **Fruitwise Hydroponics Systems (Proprietary) Limited** hereinafter referred to as the assignee, of **Plot 36, Farm Rietvallei, 180 IQ, Steyn Road, Muldersdrift, Gauteng Province, Republic of South Africa, 1747**, a corporation duly chartered and existing under the laws of **The Republic of South Africa**, is desirous of acquiring the entire right, title and interest in and to the said inventions or improvements and in and to the said application, and in, to and under any and all additional Letters Patent which may be granted on or as a result thereof in any and all countries:

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and intending to be legally bound hereby, I, the said assignor, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over to said assignee, the entire right, title and interest in and to said inventions or improvements and said application and any and all continuations, divisions and renewals of and substitutes for said application, and in, to and under United States Letters Patent No. **6,502,350** and in, to and under any and all additional Letters Patent which may be granted on or as a result thereof in the United States and any and all other countries, and any reissue or reissues or extension or extensions of said Letters Patent, including the full right to sue for and collect damages for past infringement of the same and for violations of provisional rights having arisen from any published application for any of the aforesaid Letters Patent. I further assign to and authorize said assignee to file in my name applications for Letters Patent in all countries, the same to be held and enjoyed by said assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by me had this assignment, sale and transfer not been made.

AND I hereby covenant that I have full right to convey the entire interest herein assigned, and that I have not executed and will not execute any agreements in conflict herewith, and I further covenant and agree that I will each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said application and said assignee, its successors, assigns, nominees or legal representatives, and I agree to communicate to said assignee or to its nominee all known facts respecting said inventions or improvements, said

application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers to execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything possible to aid said assignee, its successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit proper patent protection for said inventions or improvements in any and all countries, all at the expense, however, of said assignee, its successors, assigns, nominees or legal representatives.

AND I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to said assignee, as assignee of the entire right, title and interest, any and all Letters Patent for said inventions or improvements, including any and all Letters Patent of the United States which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this assignment.

IN WITNESS WHEREOF, I have hereunto set my hand and seal.

SIGNED at NO. 7 THE SPINNEY, COVENTRY UNITED KINGDOM
(City) (Country)

This 04 day of MAY 2004.
