WHEREAS, we, Brian Reynolds and Mark J. Conway, residing, respectively, at Kimmage, Main Street, Hopewell, Hanover, Jamaica; and #8 The Manlowes, Newbury, RG147AY, United Kingdom, have made an invention in:

INTERACTIVE WEB COLLABORATION SYSTEMS AND METHODS

and have made application for United States Letters Patent therefor, the same having been filed in the United States Patent and Trademark Office on May 14, 2003 as United States patent application No. 10/439,143; and

WHEREAS, FAMILY SYSTEMS, LTD., a corporation organized and existing under the laws of Isle of Man, United Kingdom and having an office and place of business at 8 St. George's Street, Douglas, Isle of Man, United Kingdom, is desirous of acquiring the entire interest in said invention, said United States patent application and in any Letters Patent which may be issued thereon;

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) to each of us paid, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign and transfer unto the said FAMILY SYSTEMS, LTD., its successors, assigns and legal representatives, all right, title and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said United States patent application, including any continuations and divisions thereof, and any substitute applications therefor, and any patents which may issue thereon, and any reissues of the same, and including the right to claim priority under the International Convention based on said patent application; and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations and divisions thereof, and any

substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same; and we hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said FAMILY SYSTEMS, LTD., as the assignee of the entire interest therein; and we further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, we have hereunto signed our names and affixed our seals on the date(s) indicated hereinafter.
