ASSIGNMENT OF PATENT APPLICATIONS AND PATENTS

This Assignment is made as of February 19, 1998, by and between Medical Ionosonic Technologies, LLP, a Massachusetts limited liability partnership ("Assignee"), and Julian L. Henley, M.D. ("Assignor").

WHEREAS, in accordance with the Partnership Agreement of Medical Ionosonic Technologies, LLP dated as of February \_\_, 1998 between Assignor and AMIT, LLC, the general partner of Assignee, Assignor has agreed to assign to Assignee certain patents, patent applications and other intellectual property of Assignor.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby transfers, sells and assigns to Assignee, its successors and assigns, and Assignee hereby assumes, all of Assignor's right, title and interest in and to the patents and patent applications listed on the Attachment hereto, any further patents and patent applications based thereon or claiming a right of priority therefrom in any country (including, without limitation, any divisional, continuation, continuation-in-part, and/or foreign applications), any patents issuing on any such applications, and any reissue, reexamination or extension of any such patents (collectively, the "Patents and Patent Applications"), and all inventions, modifications, advances, new and/or useful improvements disclosed and/or claimed in the Patents and Patents Applications (collectively, the "Inventions"), as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made. Assignor agrees to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers reasonably requested by Assignee to perfect the transfer to Assignee of the rights and title to be assigned hereby.

Assignor authorizes and requests the Commissioner of Patents and Trademarks, or any other official whose duty is to issue patents, to issue such patents for the Inventions, Patents and Patent Applications to Assignee (or its designees).

IN WITNESS WHEREOF, Assignor has caused this Assignment to be executed by its duly authorized representative as of the date first above written.
