**United States Patent Assignment**

This United States Patent Assignment ("Assignment"), made by **Incomm**, a Nevada corporation, having a principle place of business at 200 Galleria Parkway, Suite 330, Atlanta, Georgia 30339 (hereinafter referred to as "Assignors").

Whereas, Assignors are the owner of the United States Patent listed below:

**"Debit Card Package Assembly"**  
**A U.S. Design Patent issued on October 28, 1997 and assigned**  
**Design Patent No. 385,488**

Whereas, **E2 Interactive, Inc.**, a Georgia corporation, having a place of business at 250 Williams Street, Suite M-100, Atlanta, Georgia 30303 (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title and interest of the Assignors in and to the aforesaid Patent.

**Recitals.**

Whereas, Assignors own the entire right, title and interest in and to the United States patent ("Patent") and the invention ("Invention") therein disclosed and claimed (collectively, the "Patent and Invention"), and have the unrestricted right to sell, assign and transfer such Patent and Invention; and

Whereas, Assignee is desirous of acquiring the entire right, title and interest in and to the Patent and Invention.

**Assignment.**

Now, therefore, for one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors have sold and by these presents hereby sell, assign, transfer and convey unto Assignee, their successors and assigns Assignors entire right, title and interest in and to the Patent and Invention and in and to any and all applications based thereon, all continuations, continuations-in-part, continuing prosecution applications, or divisions thereof, and in and to any and all letters patent of the United States of America and all countries foreign thereto and reissues and extensions thereof which may be granted therefor or thereon, for the full term for which said letters patent, together with the right to claim the priority of any patent application included therein, to be held and enjoyed by said Assignee, their successors and assigns, as fully and entirely as the same would have been held and enjoyed by the Assignors if this assignment and sale had not been made.

Assignors also hereby sell, assign, transfer and convey unto Assignee, their successors and assigns the right to sue for any and all infringement of the Patents occurring prior to the date of this Assignment.

Assignors covenant and agree, on their own behalf and on behalf of their successors and assigns, without further compensation, to promptly at any time upon the request of the Assignee, their successors and assigns, provide such further information and execute such further assignments and documents and do all lawful acts with respect to the Patent and Invention that may be necessary or desirable to perfect title thereto in the Assignee, their successors or assigns, and to obtain patents therefor, or in any

interference proceedings or for any divisions, continuations or continuation-in-part patent applications relating thereto.

Assignors warrant and represent to Assignee that Assignors have full and unencumbered legal and equitable title to the Patent and Invention and that no other person, firm, corporation or entity has been granted any rights by said Assignors in or to the Patent and Invention.

Witness the following signature, made as of the date set forth.
