AND WHEREAS CLEARONE COMMUNICATIONS, INC., a Utah corporation,
with its principal place of business at **1825 Research Way, Salt Lake City, Utah 84119**
("Assignee"), desires to secure the entire right, title and interest in said inventions.

In consideration of One Dollar (\$1.00) and other good and valuable consideration paid to
Assignor by the Assignee, the receipt and sufficiency of which is hereby acknowledged,
ASSIGNOR HEREBY ASSIGNS TO THE ASSIGNEE:

1) The entire right, title and interest in said inventions described in the
above-identified United States patents and patent applications, and in all divisions,
continuations and continuations-in-part of said patents and applications, or reissues
or extensions of Letters Patent or Patents granted thereon, and in all corresponding
applications filed in countries foreign to the United States, and in all patents issuing
thereon in the United States and Foreign countries.

2) The right to file foreign patent applications on said inventions in its
own name, wherever such right may be legally exercised, including the right to claim
the benefits of any international conventions for such applications.

Assignor hereby authorizes and requests the United States Commissioner of Patents and
Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their
patent laws to issue patents, to issue any and all patents on said inventions to the Assignee as the
owner of entire interest, for the sole use and behalf of the said Assignee, its successors, assigns

and legal representatives.

Assignor hereby agrees, without further consideration and without expense to it, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of it to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said inventions, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of Assignor's ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension or infringement proceedings involving said inventions.

This assignment and agreement shall be binding upon, and inure to the benefit of, the parties and their respective heirs, devisees, personal representatives, successors, successors in trust and assigns.

SIGNED AT University (Credit Union), this 24th day of FEBRUARY, 2003.
