ASSIGNMENT

WHEREAS, Intermedics, Inc. (“Intermedics” or “Assignor”), a Delaware Corporation having a business address of 4000 Technology Drive, Angleton, Texas, 77515, has or may have an interest in and to the invention entitled “UPGRADABLE IMPLANTABLE MEDICAL DEVICE WITH POST-SHOCK PACING AND REDRAW FUNCTIONS,” invented by Dr. Eckhard Alt (“Dr. Alt”), for which Application No. 09/037,168 (“Application”) was filed on March 9, 1998, and for which United States Patent No. 6,157,859 (“Patent”) was issued on December 5, 2000; and

WHEREAS, Advanced Medical Devices, S.A. (“AMD” or “Assignee”), having a business address of 16A Blvd., De La Foire BP 524, Luxembourg, L2015, is desirous of acquiring all right, title and interest in and to the invention, and in and to said United States Patent;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign and transfer unto Assignee, its successors, assigns and legal representatives, its full and exclusive right, title and interest in and to said invention and in and to said Patent granted therefor, and in and to all divisions, reissues, substitutions, continuations, continuations-in-part, and extensions of said Application and any applications to which said Patent claims priority; and Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to record this Assignment.

Assignor also hereby sells and assigns to Assignee, its successors, assigns and legal representatives, its full and exclusive right, title and interest to the invention disclosed in said Application and Patent throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in its own name throughout the world including all rights of priority, all rights to publish cautionary notices reserving ownership of said invention and all rights to register said

invention in an appropriate registry; and Assignor further agrees to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in Assignee, its successors, assigns, and legal representatives.

Assignor hereby further agrees that Assignor, at the expense of said Assignee, will testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute applications, make all lawful oaths, and generally do everything possible to vest title in said Assignee and to aid said Assignee, its successors, assigns and legal representatives in obtaining and enforcing proper protection for said invention and said Patent in such countries as Assignee may elect.
