CONFIRMATORY ASSIGNMENT

WHEREAS, we, Wayne S. Pelouch, 600 Crabapple Way, McKinney, Texas 75070, Duane D. Smith, 122 Crestview Court, Louisville, Colorado 80027, and Narasimha S. Prasad, 2748 Hughes Drive, Erie, Colorado 80516, are joint inventors of certain new and useful POWER SCALABLE WAVEGUIDE AMPLIFIER AND LASER DEVICES, for which application for Letters Patent of the United States, was filed on October 1, 2001, and assigned Serial No. 09/968,974 and for which a patent application was also filed under the Patent Cooperation Treaty on October 1, 2001 and assigned application no. PCT/US01/42451;

WHEREAS, we executed assignments of our entire right, title and interest therein and thereto to Coherent Technologies, Inc., which assignments are recorded in the Patent and Trademark Office at Reel 012229, Frame 0786;

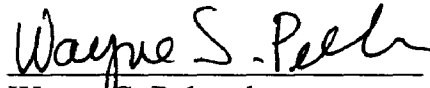

WHEREAS, those recorded assignments were executed prior to the filing of the patent application and prior to our execution of the Declaration for Utility Design Patent Application for said patent application so that the identifying serial number of the patent application was not yet available for inclusion on the face of those assignment documents;

WHEREAS, we now wish to confirm and re-state our assignment of said invention and patent applications with the specific reference above to the patent application serial numbers and filing dates to remove any ambiguity or cloud on the title;

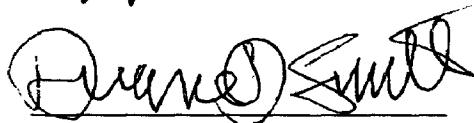

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) and certain other good and valuable consideration to us in hand paid, the receipt of which is hereby acknowledged by each of us, we, Wayne S. Pelouch, Duane D. Smith, and Narasimha S. Prasad, by these presents do hereby confirm our previous assignments, which are recorded in the Patent and Trademark Office at the above-cited reel and frame by re-stating that we did, and

to clarify any ambiguity hereby do, sell, assign, and transfer unto the said Coherent Technologies, Inc., its successors, legal representatives and assigns, the entire rights, title, and interests in and to the said invention and the aforesaid patent applications, for the territory of the United States of America and for all foreign countries and to all Letters Patent, continuations, divisionals, reissues, and extensions to be obtained therefore; and we further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters patent, but at the expense of said assignee.

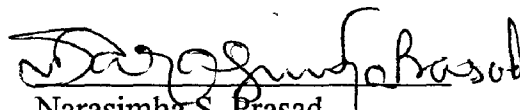

We do further agree to execute all applications for patent, assignments, and other appropriate documents and to perform all acts and to do all things necessary to make this Agreement effective and to perfect all right, title and interest in and to said discoveries, improvements or inventions in Coherent Technologies, Inc., its successors, legal representative and assigns, as the assignee of the entire right, title, and interest therein.
