confirm that we have agreed to sell, assign and transfer, and do hereby sell, assign and transfer to **CELESTICA INTERNATIONAL INC.**, hereinafter called the Assignee, whose full post office address is 844 Don Mills Road, Toronto, Ontario, Canada, M3C 1V7, to the Assignee's successors, assigns, nominees or other legal representatives, our entire right, title, interest, property and benefit for Canada, the United States of America, and all other countries, in and to an invention relating to

HEAT REMOVAL SYSTEM

including subject matter which is set forth and described in an application for: a) a provisional patent application filed with the United States Patent Office, having serial number 60/311,215 and a filing date of August 9, 2001; b) a patent application filed with the United States Patent Office, having serial number 10/215,320 and a filing date of August 8, 2002; and c) a PCT application having an application number of PCT/US02/26980 and an international filing date of August 8, 2002;

together with our entire right, title, interest, property and benefit for Canada, the United States of America, and all other countries, in and to the aforementioned applications, any foreign applications corresponding thereto and any Letters Patent which may issue for the invention from such applications, including all

divisions, continuations, continuations-in-part, re-examinations, reissues and extensions, and any rights of priority resulting from the filing of the above-identified applications under international conventions, treaties or otherwise, the same to be held and enjoyed as fully and exclusively as they would have been by us had this sale, assignment and transfer not been made. We make this assignment in respect of our interest in the invention independently of any assignment of any other party;

And we hereby covenant and agree to do all such things and to execute without further consideration such further assurances, applications and other instruments as may reasonably be required by the Assignee to obtain Letters Patent in Canada, the United States of America, and all other countries, for the invention, and vest the same in the Assignee;
