ASSIGNMENT

THIS ASSIGNMENT, made by **Glenmore Plastic Industries, Inc.**, a New York corporation having a principal place of business at 807 Bank Street, City of Brooklyn, County of Kings, State of New York, hereinafter referred to as Assignor;

WITNESSETH: That,

WHEREAS, the above-named corporation is a co-owner of rights to a utility patent application entitled **Folded Material Containment Packages And Related Methods Of Packaging Folded Material Products** and a design patent application entitled **Resilient Package With Tactile Interaction Corner For Folded Soft Fabric** for which applications have been filed, or are being concurrently filed, in the United States Patent and Trademark Office, co-ownership being confirmed by an Assignment from Ian Lebwohl, one of the named inventors submitted concurrently herewith. Myers Bigel Sibley & Sajovec, P.A. is hereby authorized and requested to insert here in parentheses (Utility Application No. 10/832,916, filed 04/27/04, and Design Application No. 29/204,265, filed 04/27/04) the application numbers and filing dates of said applications when known or to file this Assignment concurrently with the applications; and

WHEREAS, **Springs Industries, Inc.**, a South Carolina corporation having a principal place of business at 205 North White Street, City of Fort Mill, County of York, State of South Carolina, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title, and interest in and to said invention(s) as described in said applications, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the above Assignor has sold and by these presents does hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, the entire right, title, and interest in and to the said inventions and applications, and in and to any and all continuations, continuations-in-

part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, together with the right to claim the priority of said applications in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

The Assignor hereby requests that said Letters Patent be issued in accordance with this assignment.

The Assignor further covenants and agrees that, at the time of the execution and delivery of these presents, it possesses title to the inventions and patent applications thereon as earlier identified, and that it has the unencumbered right and authority to make this assignment.

The Assignor further covenants and agrees to take steps to assure that its employees or agents promptly communicate to said assignee or its representatives any facts known to the assignor relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention(s) in all countries and to vest in the Assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said assignee, its successors, assigns, and other legal representatives; and the Assignor hereby instructs, and further covenants and agrees to bind its legal representatives and assigns, to do same, without further compensation, but at the expense of said assignee or its representatives.

The party signing below on behalf of the Assignor represents, declares and warrants that he/she has the authority to bind Assignor to this agreement.

IN WITNESS WHEREOF, the Assignor has caused this assignment to be executed this 02 day of June, 2004.
