ASSIGNMENT

For Ten Dollars (\$10.00), and other good and valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, we hereby assign to THE LIBMAN COMPANY, an Illinois corporation, located at 220 North Sheldon, Arcola, Illinois 61910-0068, U.S.A. (hereinafter "assignee"), its successors and assigns, the entire right, title, and interest in the invention or improvements of the undersigned disclosed in the above-identified application, and in said application and any and all other applications that the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all patents that may be obtained on any of said applications, and in any reissue or extension thereof.

We authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said assignee, and authorize and request the attorneys of record in this application to insert in this assignment the execution date and/or filing date and serial number of said application when officially known.

We warrant that we are the owner of the interest herein assigned and to have the right to make this assignment and further warrant that there are no outstanding prior assignments, licenses, or other rights in the interest herein assigned.

We agree, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuation, continuation-in-part, and substitute applications for said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any patent that may be granted upon said application, and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns, may deem necessary or expedient, and for the aforesaid consideration the undersigned further agrees upon the request of said assignee, its successors or assigns, in the event of any application or Letters Patent assigned herein becoming involved in interference, to cooperate with said assignee, its successors or assigns, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, the undersigned hereby agreeing to perform, upon request, any and all affirmative acts to obtain said Letters Patent, both United States and foreign, and vest all rights therein hereby conveyed in said assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by said assignee, its successors and assigns, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.
