Intellectual Property Assignment

Whereas, Custom Quality Products, Inc., a Michigan corporation (“**Assignor**”), having a place of business at 345 W. Girard Street, Madison Heights, Michigan 48071, desires to sell, transfer, convey and deliver all of its right, title and interest in and to the Intellectual Property (as defined in the Asset Purchase Agreement (the “**Purchase Agreement**”) dated as of August 18, 2003 among Assignor and Assignee (as defined below)), including U.S. Patent No. Des. 403,393 issued by the United States Patent and Trademark Office on December 29, 1998; and

Whereas, Leupold & Stevens, Inc., an Oregon corporation (“**Assignee**”), having a place of business at 14400 NW Greenbrier Parkway, Beaverton, OR 97006-5791, desires to acquire the entire right, title and interest therein:

Now, therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, effective October 31, 2003, Assignor hereby sells, assigns, and transfers to Assignee all of Assignor’s right, title, and interest in and to the Intellectual Property, including without limitations: all inventions, patents, patent applications, and any and all patent rights and letters patent for all such inventions in the United States and elsewhere throughout the world, and including without limitation foreign patent priority rights and the right to apply for patents in foreign countries in the name of Assignor or in the name of Assignee, and further including all divisions and continuations of such applications and of any foreign patent applications, and all reissues and extensions of patent rights and letters patent for such inventions; service marks, trade names (other than the name “Custom Quality Products, Inc.”), trademarks, trademark registrations and applications, copyrighted works, copyright registrations and applications, trade secrets, formulae, technology, designs (including product and process designs), product drawings, processes, know-how, and all intellectual property rights therein, both domestic and

foreign; and including the right to sue and recover in the name of the Assignor or in the name of the Assignee all remedies of every nature, including rights to injunctive relief, damages, profits, costs, and attorneys fees, arising out of past or future infringement of any rights in the Intellectual Property, all such rights being for Assignee's own use and benefit, and for the benefit of its successors and assigns.
