**DECLARATION AND POWER OF ATTORNEY FOR DESIGN
PATENT APPLICATION**

Attorney Docket Number: 174-007

As the below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name,

I verily believe that I am the original, first and sole inventor of the application entitled, **COMPUTER MOUSE**, which is described and claimed in the attached specification, and for which a patent is sought.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

I do not know and do not believe that the same was ever known or used in the United States of America before my invention thereof or patented or described in any printed publication in any country before my invention thereof, for more than one year prior to this application, or in public use or on sale in the United States of America more than one year prior to this application, that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to this application and that no application for patent or inventor's certificate on this invention has been filed by me or my legal representatives or assigns in any country foreign to the United States of America except as identified below.

Prior Foreign Application(s): None

I hereby appoint the following attorney(s) and/or agent(s) to prosecute this application and transact all business in the Patent and Trademark Office connected therewith.

ASSIGNMENT

FOR VALUE RECEIVED, I William T. Large hereby sell, assign and transfer unto:

Torbay Holdings
4 Mulford Place
Suite 2g
Hempstead, NY 11550

as assignees, and its successors, assigns and legal representatives, an undivided interest in and to the entire right, title and interest, for all countries in and to certain inventions relating to:

COMPUTER MOUSE

described in an application submitted simultaneously herewith for Letters Patent of the United States, serial number to be announced for **COMPUTER MOUSE** executed herewith, and all the rights and privileges under any and all Letters Patent that may be granted therefor.

I request that any and all patents for said inventions be issued to said assignees, their successors, assigns, and legal representatives, or to such nominees as they may designate.

I agree that, when requested, I will, without charge to said assignees, but at their expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignees, their successors, assigns, and legal representatives or nominees.

I authorize and empower the said assignees, their successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignees or nominees to claim the aforesaid benefit of the right of priority provided
