ASSIGNMENT NUNC PRO TUNC

THIS ASSIGNMENT, *NUNC PRO TUNC*, effective June 6, 2003, ("Assignment") is by and between Old Point International Corporation, a British Virgin Islands corporation ("Old Point"), and Glenridge Commercial, Inc. a British Virgin Islands corporation ("Glenridge").

WHEREAS, Old Point has acquired and owns rights to certain intellectual property assets listed on the schedule at Exhibit A attached hereto (the "Intellectual Property");

WHEREAS, on June 6, 2003, Old Point made a capital contribution to Glenridge (the "Capital Contribution"), the receipt and adequacy of which Glenridge acknowledges, in return for which Capital Contribution Old Point received 150 shares of Glenridge;

WHEREAS, the Capital Contribution comprised Old Point's assignment of all right, title and interest in, to and under the Intellectual Property;

WHEREAS, Old Point and Glenridge wish to memorialize the terms and conditions of the Capital Contribution as it pertains to the Intellectual Property;

NOW THEREFORE, for good and valuable consideration, the adequacy and receipt of which is hereby acknowledged:

1.   Old Point hereby assigns, transfers, and conveys to Glenridge, *nunc pro tunc*, effective June 6, 2003, all of Old Point's world-wide rights, title and interest in, to, and/or under the Intellectual Property, as listed in Exhibit A, including, but not limited to: (i) all trademarks, trade names, service marks, service names, and all related and/or accompanying logos, designs, artwork, and all similar descriptive materials, whether registered or unregistered, together with the goodwill symbolized by each and all of the foregoing and by any and all registrations thereof; (ii) all patents, patent applications, continuations, divisional applications, provisional applications or any extensions thereof, including all designs, mask works, processes,

1

or inventions these embody, disclose, and/or claim; (iii) all know-how, trade secrets, and processes and techniques used by or with, pertaining to, and/or referenced or identified by the Intellectual Property; and (iv) all copyrights, rights of authorship, database designs, rights in computer software and similar proprietary rights, whether registered or unregistered.

2.   The rights, title and interest in, to and under the Intellectual Property assigned, transferred and conveyed by Old Point to Glenridge, *nunc pro tunc*, effective June 6, 2003, include, without limitation: (i) any and all rights to income, royalties, damages and payments now or hereafter due or payable with respect to any and all of the Intellectual Property; and (ii) any and all causes of action (either in law or in equity)as well as the right to sue, counterclaim, and recover for past, present and future infringement with respect to any and all of the Intellectual Property.

3.   Old Point hereby agrees to execute, acknowledge and deliver from time to time any and all documents and take such other action as Glenridge, in its sole discretion, believes necessary to: (i) protect, assure, register, confirm and/or otherwise vest Glenridge's rights, title and interest in, to and under any and all of the Intellectual Property; and (ii) to record with any and all government agencies, authorities, courts, tribunals, or third parties Glendridge's ownership of any and all of the Intellectual Property, and any and all goodwill associated therewith or appurtenant thereto.

4.   If any provision of this Assignment shall for any reason be found invalid, illegal, unenforceable, or in conflict with any valid controlling law, such provision shall be separated from this Assignment and such invalidity, illegality, unenforceability, or conflict shall not affect any other provision hereof and this Assignment shall be interpreted and construed as if such provision, to the extent the same shall have been held invalid, illegal, unenforceable or in conflict, had never been contained herein.

5.   This Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

2

6.   This Assignment shall be governed by and construed in accordance with the laws of the State of New York, or, insofar as federal law explicitly controls, by and with the laws of the United States of America.

7.   This Assignment may be executed in one or more counterparts, each of which shall be deemed an original.

IN WITNESS WHEREOF, the parties hereto have caused this Assignment, *Nunc Pro Tunc*, effective June 6, 2003, to be executed by their respective duly authorized agents on the dates indicated below.
