ASSIGNMENT

WHEREAS, we, Robert Bryant and Greg Dombowsky, both of Victoria, Province of British Columbia, Canada, have invented certain improvements in a CONNECTOR FOR GLOW STICKS, for which we executed an application for Letters Patent of the United States that was filed with the United States Patent and Trademark Office on January 27, 2003, and which was assigned Serial No. 10/343,148.

WHEREAS, Northern Light Products, Inc., a British Columbia corporation, having its principal place of business in Victoria, Province of British Columbia, is desirous of acquiring an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which hereby is acknowledged, we the said Robert Bryant and Greg Dombowsky, have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto the said Northern Light Products, Inc., the full and exclusive right to the said invention in the United States and its territorial possessions and in all foreign countries and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions in any and all foreign countries and in and to any and all divisions, reissues, continuations and extensions thereof.

We hereby authorize and request the Patent Office officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when granted, to the said Northern Light Products, Inc., as the assignee of our entire right, title and interest in and to the same, for the sole use of the said Northern Light Products, Inc., its

successors and assigns.

Further, we agree that we will communicate to the said Northern Light Products, Inc., or its representatives any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitution, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to the said Northern Light Products, Inc., make all rightful oaths and generally do everything possible to aid the said Northern Light Products, Inc., its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 3 day of July, 2003.
