AMENDED AND RESTATED PATENT
COLLATERAL ASSIGNMENT AND SECURITY AGREEMENT

THIS AMENDED AND RESTATED PATENT COLLATERAL ASSIGNMENT AND SECURITY AGREEMENT ("Agreement"), dated October 29, 2003, is by and between Crestwood, Incorporated, a Delaware corporation, formerly known as Eaukil Corporation ("Debtor"), with its chief executive office at 300 Delaware Avenue, Suite 900, Wilmington, Delaware 19801 and Congress Financial Corporation, a Delaware corporation ("Secured Party"), having an office at 1133 Avenue of the Americas, New York, New York 10036.

W I T N E S S E T H :

WHEREAS, Debtor has adopted, used and is using, and is the owner of the entire right, title, and interest in and to the patents and applications therefor described in Exhibit A hereto and made a part hereof;

WHEREAS, Secured Party and HPG International, Inc. a Delaware Corporation ("HPG") and Projects Management, Inc., a Delaware corporation ("PMI" and together with HPG, individually, each a "Borrower" and, collectively, "Borrowers") are about to enter into financing arrangements pursuant to which Secured Party may make loans and advances and provide other financial accommodations to Borrowers, as set forth in the Loan and Security Agreement, dated of even date herewith, by and among Secured Party, Debtor, Borrowers and certain affiliates of Borrowers (as the same now exists or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, the "Loan Agreement") and other agreements, documents and instruments referred to therein or at any time executed and/or delivered in connection therewith or related thereto, including, but not limited to, the Guarantee (as defined below) and this Agreement (all of the foregoing, together with the Loan Agreement, as the same now exist or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, being collectively referred to herein as the "Financing Agreements"); and

WHEREAS, Debtor has absolutely and unconditionally guaranteed the payment and performance of all now existing and hereafter arising obligations, liabilities and indebtedness of Borrower to Secured Party as set forth in the Guarantee, dated of even date herewith, by Debtor in favor of Secured Party (as the same now exists or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, the "Guarantee");

WHEREAS, in order to induce Secured Party to enter into the Loan Agreement and the other Financing Agreements and to make loans and advances and provide other financial

accommodations to Borrowers pursuant thereto, Debtor has agreed to grant to Secured Party certain collateral security as set forth herein;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor hereby agrees as follows:

1. GRANT OF SECURITY INTEREST

As collateral security for the prompt performance, observance and indefeasible payment in full of all of the Obligations (as hereinafter defined), Debtor hereby grants to Secured Party, a continuing security interest in and a general lien upon, and a conditional assignment of, the following (being collectively referred to herein as the "Collateral"): (a) all of Debtor's now existing or hereafter acquired right, title and interest in and to all of Debtor's interest in any patents and all applications, registrations and recordings relating to the foregoing as may at any time be filed in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof, any political subdivision thereof or in any other country, including, without limitation, those patents, applications, registrations and recordings described in Exhibit A hereto, together with all rights and privileges arising under applicable law with respect to Debtor's use of any patents and all reissues, divisions, continuations, extensions and renewals thereof (all of the foregoing being collectively referred to herein as the "Patents"); (b) all present and future inventions and improvements described and claimed therein; (c) all income, fees, royalties and other payments at any time due or payable with respect thereto, including, without limitation, payments under all licenses at any time entered into in connection therewith; (d) the right to sue for past, present and future infringements thereof; (e) all rights corresponding thereto throughout the world; and (f) any and all other proceeds of any of the foregoing, including, without limitation, all damages and payments or claims by Debtor against third parties for past or future infringement of the Patents.

2. OBLIGATIONS SECURED

The security interest, lien and other interests granted to Secured Party pursuant to this Agreement shall secure the prompt performance, observance and payment in full of any and all obligations, liabilities and indebtedness of every kind, nature and description owing by Debtor to Secured Party and/or its affiliates including principal, interest, charges, fees, costs and expenses, however evidenced, whether as principal, surety, endorser, guarantor or otherwise, whether arising under the Guarantee, this Agreement, the Existing Agreement (as hereinafter defined), the Loan Agreement, the other Financing Agreements or otherwise, whether now existing or hereafter arising, whether arising before, during or after the initial or any renewal term of the Loan Agreement, or before, during or after the confirmation of the plan of reorganization in the Chapter 11 cases, or after the commencement of any case with respect to Debtor under the United States Bankruptcy Code or any similar statute (including, without limitation, the payment of interest and other amounts which would accrue and become due but for the commencement of such case), whether direct or indirect, absolute or contingent, joint or several, due or not due,

primary or secondary, liquidated or unliquidated, secured or unsecured, and however acquired by Secured Party (all of the foregoing being collectively referred to herein as the "Obligations").

3. REPRESENTATIONS, WARRANTIES AND COVENANTS

Debtor hereby represents, warrants and covenants with and to Secured Party the following (all of such representations, warranties and covenants being continuing so long as any of the Obligations are outstanding):

(a) Debtor shall pay and perform all of the Obligations according to their terms.

(b) All of the existing Collateral is valid and subsisting in full force and effect, and Debtor owns the sole, full and clear title thereto, and the right and power to grant the security interest and conditional assignment granted hereunder. Debtor shall, at Debtor's expense, perform all acts and execute all documents necessary to maintain the existence of the Collateral consisting of registered Patents as registered patents and to maintain the existence of all of the Collateral as valid and subsisting, including, without limitation, the filing of any renewal affidavits and applications. The Collateral is not subject to any liens, claims, mortgages, assignments, licenses, security interests or encumbrances of any nature whatsoever, except: (i) the security interests granted hereunder and pursuant to the Loan Agreement, (ii) the security interests permitted under the Loan Agreement, and (iii) the licenses permitted under Section 3(e) below.

(c) Debtor shall not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or lien upon, encumber, grant an exclusive or non-exclusive license relating to the Collateral, or otherwise dispose of any of the Collateral, in each case without the prior written consent of Secured Party, except as otherwise permitted herein or in the Loan Agreement. Nothing in this Agreement shall be deemed a consent by Secured Party to any such action, except as such action is expressly permitted hereunder.

(d) Debtor shall, at Debtor's expense, promptly perform all acts and execute all documents requested at any time by Secured Party to evidence, perfect, maintain, record or enforce the security interest in and conditional assignment of the Collateral granted hereunder or to otherwise further the provisions of this Agreement. Debtor hereby authorizes Secured Party to execute and file one or more financing statements (or similar documents) with respect to the Collateral signed only by Secured Party or as otherwise determined by Secured Party. Debtor further authorizes Secured Party to have this Agreement or any other similar security agreement filed with the Commissioner of Patents and Trademarks or any other appropriate federal, state or government office.

(e) As of the date hereof, Debtor does not have any Patents registered, or subject to pending applications, in the United States Patent and Trademark Office or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other

country, other than those described in Exhibit A hereto and has not granted any licenses with respect thereto other than as set forth in Exhibit B hereto.

(f) Debtor shall, concurrently with the execution and delivery of this Agreement, execute and deliver to Secured Party five (5) originals of a Special Power of Attorney in the form of Exhibit C annexed hereto for the implementation of the assignment, sale or other disposition of the Collateral pursuant to Secured Party's exercise of the rights and remedies granted to Secured Party hereunder.

(g) Secured Party may in its discretion pay any amount or do any act which Debtor fails to pay or do as required hereunder or as requested by Secured Party to preserve, defend, protect, maintain, record or enforce the Obligations, the Collateral or the security interest and conditional assignment granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, attorneys' fees and legal expenses. Debtor shall be liable to Secured Party for any such payment, which payment shall be deemed an advance by Secured Party to Debtor, shall be payable on demand together with interest at the rate then applicable to the Obligations set forth in the Loan Agreement and shall be part of the Obligations secured hereby.

(h) Debtor shall not file any application for the registration of a Patent with the United States Patent and Trademark Office or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, unless Debtor has given Secured Party thirty (30) days' prior written notice of such action. If, after the date hereof, Debtor shall (i) obtain any patent, including any reissue, division, continuation, continuation-in-part, or extension of any patent, file any patent application, including any application for reissue or extension of any patent, or any divisional, continuation, or continuation-in-part application in the United States Patent and Trademark Office or in any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, or (ii) become the owner of any patent or new patentable inventions used in the United States, any State thereof, any political subdivision thereof or in any other country, the provisions of Section 1 hereof shall automatically apply thereto. Upon the request of Secured Party, Debtor shall promptly execute and deliver to Secured Party any and all assignments, agreements, instruments, documents and such other papers as may be requested by Secured Party to evidence the security interest in and conditional assignment of such Patent in favor of Secured Party.

(i) Debtor has not abandoned any of the Patents and Debtor will not do any act, nor omit to do any act, whereby the Patents may become abandoned, invalidated, unenforceable, avoided or avoidable. Debtor shall notify Secured Party immediately if it knows or has reason to know of any reason why any application, registration, or recording with respect to the Patents may become abandoned, canceled, invalidated, avoided or avoidable.

(j) Debtor shall render any assistance, as Secured Party shall determine is necessary, to Secured Party in any proceeding before the United States Patent and Trademark Office, any federal or state court, or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, to maintain such application and registration

of the Patents as Debtor's exclusive property and to protect Secured Party's and Lenders' interests and Lenders' interests therein, including, without limitation, filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference, and cancellation proceedings.

(k) No material infringement or unauthorized use presently is being made of any of the Patents that would adversely affect in any material respect the fair market value of the Patents or the benefits of this Agreement granted to Secured Party, including, without limitation, the remedies of Secured Party hereunder. There has been no judgment holding any of the Patents invalid or unenforceable, in whole or part nor is the validity or enforceability of any of the Patents presently being questioned in any litigation or proceeding to which Debtor is a party. Debtor shall promptly notify Secured Party if Debtor (or any affiliate or subsidiary thereof) learns of any use by any person of any other process or product which infringes upon any Patent. If requested by Secured Party, Debtor, at Debtor's expense, shall join with Secured Party in such action as Secured Party, in Secured Party's discretion, may deem advisable for the protection of Secured Party's interest in and to the Patents.

(l) Debtor assumes all responsibility and liability arising from the use of the Patents and Debtor hereby indemnifies and holds Secured Party harmless from and against any claim, suit, loss, damage, or expense (including attorneys' fees and legal expenses) arising out of any alleged defect in any product manufactured, promoted, or sold by Debtor (or any affiliate or subsidiary thereof) in connection with any Patent or out of the manufacture, promotion, labelling, sale or advertisement of any such product by Debtor (or any affiliate or subsidiary thereof). The foregoing indemnity shall survive the payment of the Obligations, the termination of this Agreement and the termination or non-renewal of the Loan Agreement.

(m) Debtor shall promptly pay Secured Party for any and all expenditures made by Secured Party pursuant to the provisions of this Agreement or for the defense, protection or enforcement of the Obligations, the Collateral, or the security interests and conditional assignment granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, travel expenses, and attorneys' fees and legal expenses. Such expenditures shall be payable on demand, together with interest at the rate then applicable to the Obligations set forth in the Loan Agreement and shall be part of the Obligations secured hereby.

4. EVENTS OF DEFAULT

All Obligations shall become immediately due and payable, without notice or demand, at the option of Secured Party, upon the occurrence of any Event of Default, as such term is defined in the Loan Agreement (each an "Event of Default" hereunder).

5. RIGHTS AND REMEDIES

At any time an Event of Default exists or has occurred and is continuing, in addition to all other rights and remedies of Secured Party, whether provided under this Agreement, the Loan Agreement, the other Financing Agreements, applicable law or otherwise, Secured Party shall

have the following rights and remedies which may be exercised without notice to, or consent by, Debtor except as such notice or consent is expressly provided for hereunder:

(a) Secured Party may require that neither Debtor nor any affiliate or subsidiary of Debtor make any use of the Patents for any purpose whatsoever. Secured Party may make use of any Patents for the sale of goods, completion of work-in-process or rendering of services or otherwise in connection with enforcing any other security interest granted to Secured Party by Debtor or any subsidiary or affiliate of Debtor or for such other reason as Secured Party may determine.

(b) Secured Party may grant such license or licenses relating to the Collateral for such term or terms, on such conditions, and in such manner, as Secured Party shall in its discretion, deem appropriate. Such license or licenses may be general, special or otherwise, and may be granted on an exclusive or non-exclusive basis throughout all or any part of the United States of America, its territories and possessions, and all foreign countries.

(c) Secured Party may assign, sell or otherwise dispose of the Collateral or any part thereof, either with or without special conditions or stipulations except that if notice to Debtor of intended disposition of Collateral is required by law, the giving of five (5) days' prior written notice to Debtor of any proposed disposition shall be deemed reasonable notice thereof and Debtor waives any other notice with respect thereto. Secured Party shall have the power to buy the Collateral or any part thereof, and Secured Party shall also have the power to execute assurances and perform all other acts which Secured Party may, in its discretion, deem appropriate or proper to complete such assignment, sale, or disposition. In any such event, Debtor shall be liable for any deficiency.

(d) In addition to the foregoing, in order to implement the assignment, sale or other disposition of any of the Collateral pursuant to the terms hereof, Secured Party may at any time execute and deliver on behalf of Debtor, pursuant to the authority granted in the Powers of Attorney described in Section 3(f) hereof, one or more instruments of assignment of the Patents (or any application, registration, or recording relating thereto), in form suitable for filing, recording, or registration. Debtor agrees to pay Secured Party on demand all costs incurred in any such transfer of the Collateral, including, but not limited to, any taxes, fees, and attorneys' fees and legal expenses. Debtor agrees that Secured Party has no obligation to preserve rights to the Patents against any other parties.

(e) Secured Party may first apply the proceeds actually received from any such license, assignment, sale or other disposition of any of the Collateral to the costs and expenses thereof, including, without limitation, attorneys' fees and all legal, travel and other expenses which may be incurred by Secured Party. Thereafter, Secured Party may apply any remaining proceeds to such of the Obligations as Secured Party may in its discretion determine. Debtor shall remain liable to Secured Party for any of the Obligations remaining unpaid after the application of such proceeds, and Debtor shall pay Secured Party on demand any such unpaid

amount, together with interest at the rate then applicable to the Obligations set forth in the Loan Agreement.

(f) Debtor shall supply to Secured Party or to its designee, Debtor's knowledge and expertise relating to the manufacture and sale of the products and services to which the Patents relate and Debtor's customer lists and other records relating to the Patents and the distribution thereof.

(g) Nothing contained herein shall be construed as requiring Secured Party to take any such action at any time. All of Secured Party's rights and remedies, whether provided under, this Agreement, the other Financing Agreements, applicable law or otherwise, shall be cumulative and none is exclusive. Such rights and remedies may be enforced alternatively, successively, or concurrently.

6. JURY TRIAL WAIVER; OTHER WAIVERS AND CONSENTS; GOVERNING LAW

(a) The validity, interpretation and enforcement of this Agreement and the other Financing Agreements and any dispute arising out of the relationship between the parties hereto, whether in contract, tort, equity or otherwise, shall be governed by the internal laws of the State of New York but excluding any principles of conflicts of law or any other rule of law that would cause the application of the law of any jurisdiction other than the State of New York.

(b) Debtor and Secured Party irrevocably consent and submit to the non-exclusive jurisdiction of the Supreme Court of the State of New York of New York County and the United States District Court for the Southern District of New York, whichever Secured Party may elect, and waive any objection based on venue or forum non conveniens with respect to any action instituted therein arising under this Agreement or any of the other Financing Agreements or in any way connected or related or incidental to the dealings of Debtor and Secured Party in respect of this Agreement or the other Financing Agreements or the transactions related hereto or thereto, in each case whether now existing or thereafter arising, and whether in contract, tort, equity or otherwise, and agree that any dispute with respect to any such matters shall be heard only in the courts described above (except that Secured Party shall have the right to bring any action or proceeding against Debtor or its property in the courts of any other jurisdiction which Secured Party deems necessary or appropriate in order to realize on the Collateral or to otherwise enforce its rights against Debtor or its property).

(c) Debtor hereby waives personal service of any and all process upon it and consents that all such service of process may be made by certified mail (return receipt requested) directed to its address set forth herein and service so made shall be deemed to be completed five (5) days after the same shall have been so deposited in the U.S. mails, or, at Secured Party's option, by service upon Debtor in any other manner provided under the rules of any such courts. Within thirty (30) days after such service, Debtor shall appear in answer to such process, failing which

Debtor shall be deemed in default and judgment may be entered by Secured Party against Debtor for the amount of the claim and other relief requested.

(d) DEBTOR AND SECURED PARTY EACH HEREBY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (i) ARISING UNDER THIS AGREEMENT OR ANY OF THE OTHER FINANCING AGREEMENTS OR (ii) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF DEBTOR AND SECURED PARTY IN RESPECT OF THIS AGREEMENT OR ANY OF THE OTHER FINANCING AGREEMENTS OR THE TRANSACTIONS RELATED HERETO OR THERETO IN EACH CASE WHETHER NO EXISTING OR HEREAFTER ARISING, AND WHETHER IN CONTRACT, TORT, EQUITY OR OTHERWISE. DEBTOR AND SECURED PARTY EACH HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT DEBTOR OR SECURED PARTY MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF DEBTOR AND SECURED PARTY TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

(e) Secured Party shall not have any liability to Debtor (whether in tort, contract, equity or otherwise) for losses suffered by Debtor in connection with, arising out of, or in any way related to the transactions or relationships contemplated by this Agreement, or any act, omission or event occurring in connection herewith, unless it is determined by a final and non-appealable judgment or court order binding on Secured Party that the losses were the result of acts or omissions constituting gross negligence or willful misconduct. In any such litigation, Secured Party shall be entitled to the benefit of the rebuttable presumption that it acted in good faith and with the exercise of ordinary care in the performance by it of the terms of this Agreement and the other Financing Agreements.

7. ACKNOWLEDGMENT AND RESTATEMENT

(a) Debtor hereby acknowledges, confirms and agrees that: (i) the Patent Collateral Assignment and Security Agreement, dated August 6, 1999, between Debtor and Secured Party (the "Existing Agreement") has been duly executed and delivered by Debtor and is in full force and effect as of the date hereof, (ii) the agreements and obligations of Debtor contained in the Existing Agreement constitute the legal, valid and binding obligations of Debtor enforceable against it in accordance with its respective terms and Debtor has no valid defense to the enforcement of such obligations and (iii) Secured Party is entitled to all of the rights and remedies provided for in the Existing Agreement.

(b) Debtor hereby acknowledges, confirms and agrees that Secured Party has and shall continue to have liens upon and security interests in all Collateral heretofore granted to Secured Party pursuant to the Existing Agreement to secure the Obligations, as well as any Collateral granted hereunder or under the other Financing Agreements granted to or held by Secured Party.

The liens and security interests of Secured Party in the Collateral shall be deemed to be continuously granted and perfected from the earliest date of the granting and perfection of such liens and security interests, whether hereunder, under the other Financing Agreements or the Existing Agreement.

(c) Except as otherwise stated in Section 7(b) hereof and this Section 7(c), as of the date hereof, the terms, conditions, covenants, agreements, representations and warranties set forth in the Existing Agreement are hereby replaced and superseded in their entirety by the terms, conditions, covenants, agreements, representations and warranties set forth in this Agreement and the other Financing Agreements, except that nothing contained herein or in the other Financing Agreements shall impair or adversely affect the continuation of the liability of Debtor for the Obligations heretofore whether during the Chapter 11 Cases and the security interests, liens and other interest in the Collateral heretofore granted, pledged and/or assigned (including during the Chapter 11 Cases), to Secured Party. The amendment and restatement contained herein shall not, in any manner, be construed to constitute payment of, or impair, limit, cancel or extinguish, or constitute a novation in respect of, the indebtedness and other obligations and liabilities of Debtor evidenced by or arising under the Existing Agreement, and the liens and security interests securing such indebtedness and other obligations and liabilities, which shall not in any manner be impaired, limited, terminated, waived or released.

(d) Debtor, for itself and its successors and assigns, does hereby remise, release, discharge and hold Secured Party, its officers, directors, agents and employees and their respective predecessors, successors and assigns harmless from all claims, demands, debts, sums of money, accounts, damages, judgments, financial obligations, actions, causes of action, suits at law or in equity, of any kind or nature whatsoever, whether or not now existing or known, which Debtor or its respective successors or assigns has had or may now or hereafter claim to have against Secured Party or its officers, directors, agents and employees and their respective predecessors, successors and assigns in any way arising from or connected with the Existing Agreement or the arrangements set forth therein or transactions thereunder up to and including the date hereof.
