ASSIGNMENT OF LETTERS PATENT

WHEREAS, Stone King Porcelain Industrial Corporation, whose post office address is 2525 Winrock Blvd., Suite 150, Houston, Texas 77057, a corporation created and existing under and by virtue of the laws of the State of California, hereinafter referred to as Assignor, has obtained and is the sole owner of United States Patent 5,294,494 entitled **PRINTED GLASS GRATING DECORATIVE PLATE**

WHEREAS, Dening Yang, a citizen of the Peoples Republic of China, residing at 2525 Winrock Blvd., Suite 150, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title, and interest in and to the aforesaid invention throughout the world; and all right, title and interest in, to and under any and all Letters Patent of the United States and all other countries throughout the world;

NOW, THEREFORE, be it known by all whom it may concern that for and in consideration of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and for other good and valuable consideration, assignor hereby sells, assigns, transfers, and sets over to Assignee, all right, title and interest in and to the said invention throughout the entire world, in and to said application for U.S. Letters Patent, and any and all divisions, continuations, substitutions, continuations-in-part, and reissues thereof, and any and all Letters Patent of the United States and foreign countries which may be granted therefore on such inventions or improvements; and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such application in the United States. The assignments and transfers described herein are to be held and enjoyed by Assignee for his own use and benefit, and for the use and benefit of his successors, assigns, or other legal representatives, to the end of the term or terms for which said Letters Patent of the United States or foreign countries are or may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made. Assignor further hereby assigns and transfers to Assignee whatever cause of action it may have for past or present infringement of said invention, together with the right to bring suit for any

such infringement and to seek and receive damages and other relief arising from any such infringement.
