Assignment

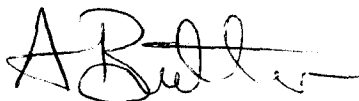

Whereas I, Andrew Michael Britton, a citizen of the United Kingdom, have made an invention entitled **Flux Control System for Metal Detectors** and have today executed an application for Letters Patent of the United States of America based thereon;

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, we have individually agreed to assign and transfer and do hereby assign and transfer unto THERMO RAMSEY CORPORATION, a Massachusetts Corporation having its principal office at 501 90th Avenue NW, Coon Rapids, Minnesota 55433, its successors and assigns, the entire right, title and interest in and to the invention and application and in and to any improvements in the invention made by me or made jointly with others (provided such improvement is made during, or within one year after the termination of, the employment by THERMO RAMSEY CORPORATION or its subsidiary), and in and to any and all Letters Patent, reexamination certificates, reissues or extensions thereof which may be granted thereon or on any divisional or continuation or further application based in whole or in part upon the invention or improvements thereon, to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made;

I do further agree to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as I lawfully may, that may be deemed necessary by THERMO RAMSEY CORPORATION, its successors, assigns, and nominees, fully to secure its right, title and interest as aforesaid and to obtain or maintain Letters Patent, Utility Models, or Inventor's Certificates in any and all countries;

And I do hereby authorize and request the Commissioner<sup>2</sup> of Patents to issue any and all Letters Patent which may be granted upon any of the applications, to THERMO RAMSEY CORPORATION as the assignee of the entire right, title and interest therein.

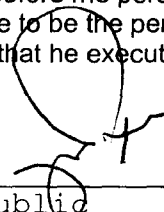

In witness whereof, I have signed our names on the day and year set forth below.
