ASSIGNMENT

Attorney Docket Number 95717

Whereas, we, Dominic D. Santa Maria, of Gloversville, New York, and Margaret E. Enzien, of Ballston, New York, (“Applicants”) have invented a new design for a **Latch for a Clip**, for which we have on this day executed a new design patent application for filing in the United States Patent and Trademark Office; and,

WHEREAS HOLLAND U.S.A., INC., a corporation organized and existing under the laws of the State of Minnesota (“Assignee”), whose mailing address is 1725 Roe Crest Drive, North Mankato, Minnesota, 56002, desires to acquire full ownership and rights in same;

Now, therefore, in consideration of good and valuable consideration, the receipt of which we acknowledge, we assign to the Assignee our full and exclusive ownership and rights to that invention, and any patent which may be granted on that application.

We authorize and request the Commissioner of Patent and Trademarks to issue the United States Patent to the Assignee, and to give the sole use and benefit of it to the Assignee and its legal representatives, until the end of the term for which the Patent may be granted or otherwise entitled to have, as fully and entirely as the same would have been held by us had this Assignment not been made.

This Assignment includes our rights in any continuation, continuation-in-part, division, reissue, or reexamination application, or any patent that issue from any such application, that claims priority from the application listed above.

This Assignment includes our rights in any foreign patent application, or any patent that may issue in any foreign jurisdiction from any such application, that claims priority from the application listed above.

Applicants hereby request the Honorable Commissioner of Patents to issue any Letters Patent which might arise from this new-filed United States Design Patent Application to Assignee in accordance with this instrument.
