## ASSIGNMENT

For value received which is hereby acknowledged, Scientific Generics Limited, whose registered office is at Harston Mill, Harston, Cambridgeshire CB2 5NH ("Scientific Generics") hereby sells, assigns, and transfer to and Affymetrix, Inc., a Delaware corporation with a principal place of business at 3380 Central Expressway, Santa Clara, California 95051 ("Affymetrix") as assignee, the entire right, title and interest for all countries, in and to certain inventions relating to and described in a United States patents and applications having the U. S. Serial Nos. or Patent Nos. shown in the attached Exhibit 1. Furthermore, Scientific Generics hereby sells, transfers and assigns all the rights and privileges under any and all Letters Patent that may be granted therefor, including any reissues, divisions, continuations, and/or continuations-in-part thereof.

Scientific Generics requests that any and all patents be issued Affymetrix, or to such nominees as it may designate.

Scientific Generics agrees that, when requested, Scientific Generics will sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for the inventions in any and all countries and for vesting title thereto Affymetrix. The acts will be taken without charge to Affymetrix, but at its expense.

Scientific Generics authorizes and empowers Affymetrix to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the Paris Convention, or by any convention which may henceforth be substituted for it. Also, Scientific Generics authorizes and empowers Affymetrix to invoke and claim the right of priority without further written or oral authorization to file and prosecute foreign applications under the Patent Cooperative Treaty, European Patent Convention, or any other treaty governing foreign filings.

Scientific Generics hereby consents that a copy of this Patent Assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file, or like document which may be required in any county for any purpose and more particularly in proof of the right Affymetrix to claim the aforesaid benefit of the right of priority provided by the Paris Convention, as amended, or by any convention which may henceforth be substituted for it.

Scientific Generics covenants with Affymetrix that the rights and property herein conveyed are free and clear of any encumbrance, and that Scientific Generics has full right to convey the same as herein expressed.

In agreement with the above statements, Scientific Generics hereby executes this Agreement as indicated below.
