## ASSIGNMENT

WHEREAS, I Mike Luong depose and say that I am a citizen of the Vietnam residing at 2393 Highland Hills Drive, El Dorado Hills, CA 95762, County of El Dorado, State of California, and being the inventor of a certain invention for PEDICURE CHAIR 400, for which I have made application for United States Letters Patent by application case number 4200.

WHEREAS, AmeriSpa, LLC, a limited liability corporation, organized and existing under the laws of the State of California with its principal office at 2539 Mercantile Drive, Suites 3, 4&5, Rancho Cordova, CA 95742, is desirous of acquiring my entire right, title and interest in and to the said invention, and in and to the said application and any Letters Patent that may issue thereon:

NOW THEREFORE, for and in consideration of one-dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I being the owner of all right, title and interest in and to said application and in and to the invention described therein, free from all prior assignments, agreements, licenses, mortgages, or other encumbrances whatsoever, and having full right to convey the entire interest, both legal and equitable, do hereby sell, assign, transfer and set over unto the said assignee, its successors and assigns, my entire right, title and interest in and to the said invention and in and to the said application and all patents which may be granted therefore and all divisions, reissues, substitutions, continuations and extensions thereof, and I hereby authorize and request the Commissioner of Patents to issue all patents for said invention or patent resulting therefrom, insofar as my interest is concerned, to the said AmeriSpa, LLC, as assignee of my entire right, title and interest.

I also hereby sell, assign, transfer and set over to said AmeriSpa, LLC, its successors and assigns, my foreign rights to the invention disclosed in said application in and for all patent-granting countries of the world, including the right to file applications and obtain patents for said invention in its own name in said countries and including all right of priority in said countries under the terms of the International Convention for the Protection of Industrial Property derived from my aforesaid United States application for Letters Patent (Case number 4200) and I further agree to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such patent rights.

I hereby further covenant and agree that I will, at any time, upon the request of said assignee, or its successors, assigns, and legal representatives or papers, execute any and all divisional, continuation, reissue and substitute applications, make all lawful oaths, and at the expense of said assignee company, testify in any legal proceedings that may be necessary or desirable to secure to said assignee the full enjoyment of the rights and properties herein conveyed or intended to be conveyed, in order to obtain and enforce proper patent protection in all countries.
