ASSIGNMENT

WHEREAS, Brian H. Welker, a resident of Sugar Land, Texas (hereinafter referred to as "Assignor"), is the inventor of a certain new and useful invention relating TEMPERATURE PROBE AND INSERTION DEVICE for which Assignor is about to make application for Letters Patent in the United States; and

WHEREAS, Assignor is the owner and in full possession of the entire right, title and interest in and to said invention and in and to any and all Letters Patent that may be granted therefor; and

WHEREAS, Welker Engineering Company, a corporation duly organized under the laws of the State of Texas, (hereinafter referred to as "Assignee"), having its principal office and place of business at 13839 West Bellfort, Sugar Land, Texas 77478, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent that may be granted therefor; and

NOW, THEREFORE, for and in consideration of the sum of One Dollar (U.S. \$1.00) and other valuable considerations to Assignor paid by said Assignee, receipt of which is hereby acknowledged, Assignor does hereby sell, assign and transfer unto said Assignee, the entire right, title and interest in and to said invention and in and to any and all Letters Patent, both United States and foreign, that may be granted therefor, together with any and all continuations, divisions, or reissues, and Assignor does hereby authorize and request the United States Commissioner of Patents and Trademarks to issue in accordance with this Assignment any and all Letters Patent that may be granted, either on said application or otherwise for said invention.
