AFFIDAVIT OF INVENTOR NAME CHANGE IN ACCORDANCE WITH MPEP
SECTION 605.04(c)

In accordance with section 605.04(c) of Manual of Patent Examining Procedure promulgated by the United States Patent and Trademark Office, I hereby swear and attest to the following facts.

My name was Elliott R. Lee when I filed my U.S. patent application serial number 09/666,028 on September 20, 2000. After this application was filed, in accordance with California law, I changed my name from Elliott R. Lee to Amy C. Lee by filing a form DL328 with the California Department of Motor Vehicles. This California Department of Motor Vehicle form DL328 was signed by my personal physician. I then obtained a California driver's license in my current name, Amy C. Lee. Using this legal form of identification, I subsequently applied for and obtained a change of name with the United States Social Security Administration. On December 31, 2003, in my current name, Amy C. Lee, I filed another U.S. patent application, serial number 10/749,807, claiming priority to my earlier-filed patent application, which has since issued in my former name, Elliott R. Lee.

In accordance with MPEP 605.04(c), my signatures for both my former name and current name, respectively, appear below.

I hereby declare that all statements made herein of my own knowledge are true; and further that I understand that making willful false statements and the like constitutes conduct punishable by fine or imprisonment, or both.
