ASSIGNMENT

THIS ASSIGNMENT, by MEDGENE, INC. a corporation duly organized under and pursuant to the laws of California, and having its principal place of business at 464 W. Charleston Road, Palo Alto, California 94306 (hereinafter referred to as the assignor), witnesseth:

WHEREAS, said assignor is the owner of all right, title and interest to U.S. Patent Application Serial No. 10/274,253, filed on October 17, 2002, by virtue of an assignment document recorded in the United States Patent and Trademark Office on February 14, 2003, at Reel 013430, Frame 0283; and

WHEREAS, Juan Du (hereinafter referred to as assignee) is desirous of acquiring the entire right, title and interest in and to said invention and said U.S. patent application, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon:

NOW THEREFORE, for good and sufficient considerations, the receipt of which is hereby acknowledged, said assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto the assignee, thier successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned invention, U.S. patent application, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said assignee, for their own use and behoof and the use and behoof of their successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignor, had this sale and assignment not been made.

AND for the same consideration, said assignor hereby covenants and agrees to and with said assignee, their successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said assignor is the sole and lawful owner of the entire right, title and interest in and to said inventions and the application for Letters Patent above-mentioned, and that the same are unencumbered and that said assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

Atty Dkt No. 6210-0001

AND said assignor hereby requests the Commissioner of Patents to issue said Letters Patent of the United States to said assignee as the assignee of said invention and the Letters Patent to be issued thereon for the sole use and behoof of said assignee, his successors, legal representatives and assigns.
