ASSIGNMENT

WHEREAS, we, Robert J. O'Brien, of Clackamas, Oregon, a citizen of the United States of America, and Thomas R. Smith, of Portland, Oregon, a citizen of the United States of America, have invented a certain invention, entitled METHOD AND APPARATUS FOR SAMPLE ANALYSIS, for which the following patent applications have been filed:

U.S. Provisional Patent Application No. 60/448,411, filed on 18 February 2003;
U.S. Provisional Patent Application No. 10/438,517, filed on 14 May 2003; and
PCT Application No. PCT/US2004/004808 filed on 18 February 2004

all of which applications are collectively referred to herein as "the patent applications."

WHEREAS, State of Oregon acting by and through the State Board of Higher Education on behalf of Portland State University, a corporation organized under the laws of the United States of America, having a place of business at P.O. Box 751, Portland, OR 97207, United States of America, desires to acquire an interest therein:

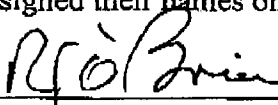

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, Robert J. O'Brien and Thomas R. Smith, hereby sell, assign and transfer to State of Oregon acting by and through the State Board of Higher Education on behalf of Portland State University, the full and exclusive right, title and interest in and to said invention, patent application and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by State of Oregon acting by and through the State Board of Higher Education on behalf of Portland State University, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to State of Oregon acting by and through the State Board of Higher Education on behalf of Portland State University, or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid State of Oregon acting by and through the State Board of Higher Education on behalf of Portland State University, its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.

We hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
