ASSIGNMENT

Whereas, Veolia Water North America Engineering & Construction, Inc. having a place of business at 250 Airside Drive, Moon Township, PA 15108, is an owner with rights, titles and interests in and to the following United States Letters Patent or Application:

Patent or Application No.	Date of Filing or Grant
10/461,276	June 13, 2003

Whereas, Stranco, Inc. having a place of business at 595 Industrial Drive, Bradley, Illinois 60915 desires to acquire all rights in said patent, and any and all patents of the United States and of all other countries which may be granted for the said inventions, or any of them;

Now therefore, in consideration of good and valuable considerations to it paid by Stranco, Inc., the receipt whereof is hereby acknowledged, Veolia Water North America Engineering & Construction, Inc. does hereby sell, assign and transfer to the said Stranco, Inc. its rights, titles and interests in and to the said patents or applications, all inventions therein disclosed and any and all patents of the United States and of all other countries which may be granted for the said inventions, or any of them.

Said Stranco, Inc., its successors and assigns, shall have, hold and enjoy the said inventions and any said Letters Patents to its and their own use and behoof to the full end of the term or terms for which any said Letters Patents have been and may be granted as fully and entirely as the same would have been held and enjoyed by it had this assignment and sale not been made, including the right to sue for past infringement.

And it is hereby authorized and requested of the Commissioner of Patents to issue any additional Letters Patents as may be granted on the said inventions to the said Assignee in accordance with the terms of this instrument.
