ASSIGNMENT AND AGREEMENT

We, Farhad Barzegar of 14 Farrington Lane, Branchburg, New Jersey 08876, Irwin Gerszberg of 12 Dickinson Road, Kendall Park, New Jersey 08824, Thomas W. Hill of 39 Kenvil Avenue, Succasunna, New Jersey 07876, and Scott J. Mollica of 47 Ambassador Drive, Red Bank, New Jersey 07701 hereby sell, assign and transfer to AT&T Corp, a corporation of the State of New York, having an office at 32 Avenue of the Americas, New York, New York 10013-2412, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, in and to certain inventions related to **Electronic Loop Provisioning Methods and Systems** described in an application for Letters Patent the specification of which was filed herewith in the United States Patent and Trademark Office, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States and all countries foreign to the United States for said inventions; and each of us also concurrently hereby sell, assign and transfer to AT&T Corp, the entire right, title and interest in and to said inventions for the United States and all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in the United States or any countries foreign to the United States for said inventions.

Each of us authorizes AT&T Corp to make application for such protection in its own name and maintain such protection in the United States and in all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from either of us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

Each of us hereby consents that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of AT&T Corp to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

ASSIGNMENT AND AGREEMENT

Each of us requests that any and all patents for said inventions be issued to AT&T Corp in the United States and all countries foreign to the United States, or to such nominees as AT&T Corp may designate.

Each of us agrees that, when requested, each of us shall, without charge to AT&T Corp but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
