OWNERSHIP AGREEMENT

WHEREAS, we: Thomas Burton Ferguson of 1036 Timber Ridge Ct, Kingston Springs, TN 37082, USA; and Michael Hanley McDonald of 5340 Indian Valley Rd, Franklin, TN 37064, USA; (collectively referred to herein as "Co-Inventors") have invented a certain new and useful invention entitled "Snap-Hook Tether" (referred to herein as "Invention"), for which an application for Letters Patent of the United States has been prepared and executed herewith;

NOW THEREFORE, be it known that said Co-Inventors hereby agree as follows:

1. **Joint Ownership:** Co-Inventors agree to hold in equal shares, as tenants in common, their entire right, title and interest in the aforesaid application for the territory of the United States of America and all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty, and all applications for extension filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues, Reexaminations and other patent rights, obtained for the invention in the United States or any other country, (collectively referred to as "Patents").
2. **Costs and Profits to Be Shared:** All fees, charges, and expenses connected with obtaining, maintaining, and protecting said Patents shall be borne and paid by the Co-Inventors in equal shares, and all profits or royalties derived by the Co-Inventors under the Patents shall be divided equally between them.
3. **Restriction on Transfer:** Neither of the Co-Inventors shall sell, assign, transfer for mortgage his share or interest in said Patents or said Invention or grant any license thereunder without first obtaining the consent in writing of the other Co-Inventor.
4. **Improvements:** Further, if either of the Co-Inventors at any time shall make or acquire any improvement or patent for any improvement upon said Invention, he shall disclose the same to the other, and if the other party shall so request, but not otherwise, shall execute and do all applications, documents, instruments, and things necessary for obtaining a patent for and for assigning the same, as the case may require, to the end that the same shall be vested in the Co-Inventors in equal undivided shares or interests, and the same shall be held by the Co-Inventors upon the same terms and conditions as said Patents; and all fees, charges, and expenses that shall have been or may be incurred therein, including the purchase price of any such improvement, invention, patent acquired by either as aforesaid shall be borne and paid by the Co-Inventors equally.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Ownership Agreement.
