ASSIGNMENT AGREEMENT

WHEREAS, I/We, **George J. Wos**, a citizen of the United States, (hereinafter "Assignor") have invented certain new and useful improvements entitled **Spindle-Motor Driven Pump System** (hereinafter "Invention") as described in the patent application filed with the United States Patent and Trademark Office on _____ with Application Number _____; and

WHEREAS, Isothermal Systems Research (ISR) , a company organized in the State of Washington, having a place of business at 2218 North Molter Road , Liberty Lake, Washington 99019 (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said Invention and all Letters Patent of the United States and Letters Patent in any and all foreign countries which may be obtained therefore;

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and adequacy is hereby acknowledged, I/We do hereby sell, assign, transfer and set over unto said Assignee the full an exclusive right to the said Invention in the United States and the entire rights, title and interest in and to any and all Patents of the United States and in any and all foreign countries which may be issued for said Invention, and in and to all patent applications, continuations, continuations-in-part, divisionals, reexaminations and reissues of said Invention as described in the above-mentioned application in the United States and in any and all foreign countries, together with all claims for damages by reason of past infringement with the right to sue for and collect the same and obtain all other possible remedies for its own use and behoof and for the use and behoof of its successors, assigns or other legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

The Attorney of Record is hereby authorized to insert the Serial Number and filing date in any above blank spaces when received from the United States Patent and Trademark Office. I hereby authorize and request the Commissioner of Patents and Trademarks to issue any Letter Patent of the United States which may be issued for said Invention to the said Assignee, its legal representatives, successors and assigns, as the sole owner of the entire right, title and interest in and to said patents and inventions covered thereby. I acknowledge and agree that the obligations recited herein are binding upon me and my heirs, executors, administrators and assigns forever.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on the date appearing beside my name.
