# ASSIGNMENT

(JOINT)

THIS ASSIGNMENT, by PAUL van de LOO

(hereinafter referred to as "the Assignors"), respectively, witnesseth:

WHEREAS, the Assignors have invented certain new and useful improvements in  
CONTROL SYSTEM FOR A COGENERATION UNIT set forth in an application  
for Letters Patent of the United States,

- (1) ☐ which is a provisional application
- (a) ☐ bearing Application No. \_\_, and filed on \_\_;
- (b) ☐ to be filed herewith; or
- (2) ☒ which is a non-provisional application
- (a) ☒ bearing Application No. 10/677,257, and filed on  
October 3, 2003;
- (b) ☐ having an oath or declaration executed on even date herewith prior  
to filing of application;
- (c) ☐ having an oath or declaration executed on a different date than this  
Assignment; and

COGEN MICROSYSTEMS PTY LTD, a corporation duly organized under and pursuant  
to the laws of AUSTRALIA and having its principal place of business at  
University of Adelaide Commerce and Research Precinct, 35-37 Stirling Street, Thebarton, South Australia  
5031, Australia (hereinafter referred to as "the Assignee"), is desirous of  
acquiring the entire right, title, and interest in and to said inventions, the right to file applications  
on said inventions and the entire right, title and interest in and to any applications, including  
provisional applications for Letters Patent of the United States or other countries claiming priority  
to said application, and in and to any Letters Patent or Patents, United States or foreign, to be  
obtained therefor and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient  
consideration, the receipt of which is hereby acknowledged, the Assignors have sold, assigned,  
transferred, and set over, and by these presents do sell, assign, transfer, and set over, unto the  
Assignee, its successors, legal representatives, and assigns the entire right, title, and interest in and  
to the above-mentioned inventions, the right to file applications on said inventions and the entire  
right, title and interest in and to any applications for Letters Patent of the United States or other  
countries claiming priority to said applications, and any and all Letters Patent or Patents of the  
United States of America and all foreign countries that may be granted therefor and thereon, and  
in and to any and all applications claiming priority to said applications, divisions, continuations, and  
continuations-in-part of said applications, and reissues and extensions of said Letters Patent or  
Patents, and all rights under the International Convention for the Protection of Industrial Property,  
the same to be held and enjoyed by the Assignee, for its own use and behalf and the use and behalf  
of its successors, legal representatives, and assigns, to the full end of the term or terms for which  
Letters Patent or Patents may be granted as fully and entirely as the same would have been held  
and enjoyed by the Assignors had this sale and assignment not been made;

AND for the same consideration, the Assignors hereby covenant and agree to and with  
the Assignee, its successors, legal representatives, and assigns, that, at the time of execution and  
delivery of these presents, the Assignors are the sole and lawful owners of the entire right, title, and  
interest in and to the inventions set forth in said applications and said applications, including  
provisional applications, above-mentioned, and that the same are unencumbered, and that the

Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth;

AND for the same consideration, the Assignors hereby covenant and agree to and with the Assignee, its successors, legal representatives, and assigns that the Assignors will, whenever counsel of the Assignee, or the counsel of its successors, legal representatives, and assigns, shall advise that any proceeding in connection with said inventions or said applications for Letters Patent or Patents, or any proceeding in connection with Letters Patent or Patents for said inventions in any country, including interference proceedings, is lawful and desirable, or that any application claiming priority to said application, division, continuation, or continuation-in-part of any applications for Letters Patent or Patents, or any reissue or extension of any Letters Patent or Patents to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement, and defense of Letters Patent or Patents for said inventions, without charge to the Assignee, its successors, legal representatives, and assigns, but at the cost and expense of the Assignee, its successors, legal representatives, and assigns;

AND the Assignors hereby authorize and request the attorneys of BURNS, DOANE, SWECKER & MATHIS, L.L.P. of Alexandria, Virginia to insert in the spaces provided above the filing date, application number, and attorney docket number of said application when known.

AND the Assignors hereby request the Commissioner of Patents to issue any and all said Letters Patent of the United States to the Assignee as the Assignee of said inventions, the Letters Patent to be issued for the sole use and behalf of the Assignee, its successors, legal representatives, and assigns.
