Assignment of Patent Rights

This Assignment is by and between:

The Board of Trustees of the Leland Stanford Junior University, a body having corporate powers under the laws of the State of California located at Palo Alto, California (the "Assignor"), and

BP Corporation North America Inc., a corporation of Indiana, having a place of business at Warrenville, Illinois (the "Assignee").

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged. Assignor has sold, assigned, and transferred, and hereby sells, assigns, and transfers, to Assignee its entire right, title, and interest in and to (a) the patents and patent applications identified in Appendix A; and (b) all provisional and non-provisional patent applications upon which such patents and patent applications claim have issued or claim benefit.

Assignor hereby authorizes and requests the officials of the United States Patent and Trademark Office and officials in the patent office or agency of all other countries to issue to Assignee, its successors, or assigns all Letters Patent granted from any patent application identified in the Appendix hereto, and from any continuations, continuations-in-part, or divisions of, or resulting from renewals, substitutions, conversions, reissues, reexaminations, or extensions of, any Letters Patent or patent application identified in that Appendix, for the full term or terms for which such Letters Patent may be granted.

This Assignment is executed on behalf of the Assignor by its duly authorized representative.
