## SCHEDULE 1.2

### ASSIGNMENT

D-Blur Inc. ("**DBlur**"), in consideration of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and other good and valuable consideration, hereby irrevocably sells, grants, conveys, transfers, and assigns, and agrees to sell, grant, convey, transfer, and assign, to DBlur Technologies Ltd. ("**DBlur Technologies**"), its successors and assigns, all of DBlur's right, title and interest of every kind and character throughout the world, including moral rights and goodwill, in and to the United States Patent Application 09/778849, entitled "Method for processing a digital image" and a Provisional United States Patent Application 60/440561 entitled "Lensless camera with image enhancement functions" (the "**Applications**") to the full extent of its ownership or interest therein, including, but not limited to (i) any domestic or foreign patent or patents or registrations or patent applications that may issue as a result of or from the Applications, and all divisions, reissues, and improvements thereof, together with all continuances, continuances-in-part, revisions, renewals, substitutions, extensions and reexaminations thereof and the right to apply for any of the foregoing, and also including all priority rights for patent applications, patents, utility models, industrial models, and designs foreign to the United States of America; all rights to causes of action and remedies related thereto (including, without limitation, the right to sue and/or recover for past, present or future infringement, misappropriation or violation of rights related to the foregoing); and any and all other rights and interests arising out of, in connection with or in relation to the Applications; (b) all inventions (whether patentable or unpatentable and whether or not reduced to practice) and proprietary rights related thereto and (c) all documentation, records, books or other tangible media embodying the foregoing (in whatever form or medium).

DBlur hereby covenants and agrees that it will at any time, upon the request and at the expense of DBlur Technologies, execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the title to said Applications, and DBlur authorizes the Commissioner of Patents and Trademarks to issue Letters Patent to DBlur Technologies.

Made this January 14, 2004.
