RATIFICATION AND CORRECTION OF ASSIGNMENT

WHEREAS, NCR Corporation ("NCR") executed and delivered an Assignment of Patent Rights ("Assignment") effective November 26, 2002 in relation to U.S. Patent No. 5,343,358.

WHEREAS, the Purchaser was erroneously identified in the Assignment as "KyroTech, Inc." rather than Kryotech, Inc.

WHEREAS, the misspelling of Purchaser's name was unintentional and occurred through clerical error.

NOW THEREFORE, NCR hereby states that the Purchaser identified in the Assignment is Kryotech, Inc., a South Carolina corporation having an address of 2547 Morningside Drive, West Columbia, South Carolina 29169. NCR further states that the Assignment should be interpreted in all respects as if the name of the Purchaser had been correctly spelled therein as "Kryotech, Inc." rather than "KyroTech, Inc." The Assignment is therefore fully ratified by this document and given full effect to the extent that it might otherwise be construed as defective. If NCR continues to have any interest in the aforesaid U.S. Patent No. 5,343,358, such interest is hereby fully assigned to Kryotech, Inc. as stated in said Assignment.

Executed this 5th day of February, 2004.

NCR Corporation
