ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I, Edward Granger, of 43 Wemby Road, Rochester, New York 14616, hereby sell, assign and transfer to DELTA E, a California corporation, having a place of business at 6822 Del Monte Avenue, Richmond, CA 94805, its successors and assigns, the entire right, title and interest throughout the world to my invention in

SYSTEM FOR MEASURING RADIANCE, REFLECTANCE AND TRANSMITTANCE

for which I have executed a United States patent application on or about the date of this assignment, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; I authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from me; I agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and I request the Commissioner of Patents and Trademarks to issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 5 day of February, 2004.
