**Whereas** I, in consideration of employment by Novint Technologies, Inc. (hereinafter "**assignee**"), mailing address P.O. Box 66956, Albuquerque, New Mexico 87193, have agreed, among other things, to assign to assignee, its successors and assigns, all rights to inventions, discoveries, or improvements made or conceived in the course of my employment;

**Therefore**, I hereby sell, assign, and transfer unto assignee my entire right, title, and interest in and to said inventions and in and to all resulting patents, wherever they may be granted, as well as divisionals, continuations, reissues, extensions, PCT counterparts, and foreign counterparts of said patents. I hereby authorize and request the Commissioner of Patents and Trademarks, or other appropriate authority, to issue said patents to assignee, of the entire right, title, and interest in and to the same, to the full end of the term for which said patents may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

I covenant with assignee that my interest in the rights and property herein conveyed is free and clear of any encumbrance and that I have full right to convey the same as herein expressed. I agree, at the request of assignee, to make, execute, and deliver to assignee, or other party prosecuting patent applications on this invention, any and all papers, documents, affidavits, applications, statements or other instruments relating to said invention, take all rightful oaths and do all acts as may reasonably be required of me in or incident to the prosecution of any or all applications on said invention or in the adjustment or settlement of any interferences or other actions or proceedings that said applications or patents thereon may encounter or in which they may become involved.
