ASSIGNMENT

WHEREAS, Todd B. Abernethy and Scott W. Osiecki have invented certain new and useful improvements in A FLASHLIGHT, for which an application for United States Letters Patent was filed on December 9, 2003 and assigned Application No. 29/195269; and

WHEREAS, Chase Design, Inc., a corporation of the state of New York, having a place of business at 1400 East Genesee Street, Post Office Box 49, Skaneateles, New York 13152 is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent that may be granted therefore in the United States and in any and all foreign countries.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to us in hand paid, the receipt whereof is hereby acknowledged, and other valuable considerations, we, the said inventors, Todd B. Abernethy and Scott W. Osiecki, have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said Chase Design, Inc. the full and exclusive right to the said invention in the United States and its territorial possessions and in all foreign countries and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries and in and to any and all divisions, reissues, continuations and extensions thereof.

We hereby authorize and request the Patent Office Officials in the United States and in any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Chase Design, Inc., as the assignee of the entire right, title and interest in and to the same, for the sole use and behoof of the said Chase Design Inc., its successors and assigns.

FURTHER, we agree that we will communicate to said Chase Design, Inc., or its representatives any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitution, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said Chase Design, Inc., make all rightful oaths and generally do everything possible to aid said Chase Design, Inc., its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, we have hereunto set our hands.
