ASSIGNMENT OF UNITED STATES PATENT APPLICATION

WHEREAS, James B. Klassen, having a place of business at 2236 Cherry Street, Lynden, Washington, 98264 (hereinafter referred to as the "Inventor"), has invented certain new and useful improvements (hereinafter referred to as "Invention"), which have been covered by a U.S. patent application, the identity of which is listed below:

Application Serial No. : 10/452,827

Filed: June 2, 2003

Entitled: GEAR PUMP

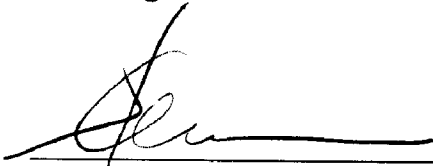

WHEREAS, KFI Engineering, Inc., a Washington corporation, having an office at 1841 Front Street, Lynden, Washington 98264 (hereinafter referred to as "KFI") wishes to acquire all of the Inventor's right, title and interest in and to said Invention and the patent application therefor;

THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, said Inventor has sold, assigned, and transferred and by these presents does sell, assign, and transfer unto KFI and to its successors, legal representatives and assigns, the Inventor's entire right, title and interest in and to said Invention and in and to said patent application as well as any continuation, division, reissue and reexamination certificate thereof for the territory of the United States of America and

for all foreign countries, said Invention and patent application to be held and enjoyed by KFI for its own use and enjoyment and for the use and enjoyment of its successors, legal representatives and assigns, to the full end of the term for which U.S. Letters Patent on same will be granted, as fully and entirely as the same would have been held by said Inventor had this Assignment and sale not been made.

Said Inventor hereby covenants that he has the full right to convey the interest herein assigned, and that he has not executed, and will not execute, any agreement in conflict herewith.

Said Inventor further covenants and agrees that he will communicate to KFI and its successors, legal representatives and assigns, any facts known to him respecting said Invention, and testify in any legal proceeding, sign all applications, make all rightful oaths, and, at no expense to himself, do everything reasonable to aid KFI and its successors, legal representatives and assigns to obtain and enforce proper patent protection for said Invention in all countries.

James B. Klassen
