## ASSIGNMENT

WHEREAS, SHIMON ELBAZ residing at Rockaway Park, New York being a citizen of the United States (hereinafter referred to as the "Assignor") represents that he is the inventor of a certain new and original invention for a

### LIQUID TIGHT CONNECTOR

(hereinafter referred to as the "Invention") for which he executed an application for Letters Patent of the United States on the 12<sup>th</sup> day of February 2004, which application was the only application for Letters Patent of the United States executed by him on such date; and

WHEREAS, Superflex Ltd., a New York corporation, having an office for the transaction of business at 152 44<sup>th</sup> Street, Brooklyn NY 11232 (hereinafter referred to as the "Assignee") desires to acquire the entire right, title and interest in and to said Invention, and in and to said application, and in and to any Letters Patent which may be obtained therefor or thereon;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for monetary consideration to him in hand paid, and any other good and valuable consideration, the receipt of all of which is hereby acknowledged, the said Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer unto the said Assignee, its successors and assigns, the entire right, title and interest in and to said Invention, and in and to said application, and in and to any Letters Patent which may be obtained therefor or thereon in the United States and all foreign countries, and in and to any reissues or extensions of any Letters Patent which may be granted for said Invention and which the said Assignor may acquire by invention or otherwise, the same to be held and enjoyed by the said Assignee for its own use and behoof, and for the use and behoof of its successors and assigns, to the full end of the term for which said Letters Patent or any reissues or extensions thereof may be granted, as fully and as entirely as the same might be held by the said Assignor had this assignment and sale not been made, and the said Assignor hereby represents and warrants that he has not granted and will not grant any rights or interests and that he has not executed and will not execute any instrument inconsistent with the rights granted herein, and that he hereby binds himself, his heirs, executors, administrators and legal representatives to execute any and all papers and instruments and to do any and all acts which may be necessary or required by the said Assignee in order to carry into full force and effect this sale, assignment and transfer and to obtain and enforce the patent or patents which may be granted for said invention.

The said Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue Letters Patent which may be granted for said Invention to the said Assignee of the entire right, title and interest therein.

IN WITNESS WHEREOF, the said Assignor has hereunto set his hand and seal.
