ASSIGNMENT OF PATENT RIGHTS

Title: Light Dimmer for LED and Incandescent Lamps

Inventor(s): Stephen Elliott

Serial Number: 10/770,355

Filing Date: 02/02/2004

I, Stephen Elliott, do hereby sell, assign and transfer to Radiant Power Corp., a Florida corporation having a place of business at 6416 Parkland Drive, Suite B, Sarasota, FL 34243 ("assignee"), its successors and assigns, my entire right, title and interest throughout the world in the above-identified invention, for which I have filed the above-referenced United States patent application, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; I authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without any further authorization from me; and I agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries.
